EXHIBIT A
Part 1
Program Description

1. Background and Purpose

Peer-Delivered Services (PDS) are a vital part of health care transformation and benefit Oregonians with a Substance Use Disorder (SUD), their families and communities. Peer-Delivered Services and peer-run organizations (PRO) that are Recovery Centers (as defined below) are essential to link those living with behavioral health conditions to behavioral health services. PDS are an instrumental tool in reforming the health care system to support recovery and wellness within a recovery-oriented system of care (ROSC).

Recipient will develop the capacity to provide enhanced PDS and technical assistance and training for PDS in SUD Recovery. The technical assistance will be provided to regional partners, including behavioral health service programs, health professionals, Community Mental Health Programs (CMHP) or Local Mental Health Authority (LPHA), Coordinated Care Organizations (CCO), interested consumers, family members, youth (under 17 years) and young adults (18 to 25), and those in recovery from mental health disorders, substance use disorders, and problem gambling within their respective service area.

OHA believes the SUD PDS Facilitating Centers (as defined below) will help promote best practices. PDS are available for the diverse members of the recovering communities. The Facilitating Centers will identify and develop specialized best practices and deliver specialized training and technical assistance for underserved and overrepresented populations.

Research has demonstrated that PDS improve outcomes. Examples of improved outcomes are as follows:

- When peers are part of hospital-based or residential care, the results include shortened lengths of stay, decreased frequency of admissions, and lower overall future treatment costs,
- When PDS are integrated into behavioral health care treatment teams, patients show favorable results in both health outcomes and cost savings,
- For people diagnosed with both mental illness and substance use disorders, peer-led interventions have shown to significantly reduce substance use, symptoms of emotional distress or disorders, and crisis events,
- PDS programs have shown to increase patients' participation in their treatment, resulting in better healing outcomes and greater levels of empowerment and,
- PDS emphasize developing and living a healthy, recovery-oriented lifestyle. This focus on wellness helps people remain in recovery and in the communities of their choice.

The goal of this Agreement is to enable Recipient to develop Facilitating Centers that will serve as “mentor sites” which will provide ongoing technical assistance and training for programs providing PDS, PRO and Recovery Centers. Facilitating Centers will provide structure and support for developing and sustaining programs providing PDS in substance use disorder recovery, PROs, and Recovery Centers. People in recovery will be involved in every aspect of program design and implementation, creating opportunity for peer delivered services regionally and statewide, and allowing for greater access to services.

Quality PDS statewide are essential for people with substance use disorders.

In performing Program activities below, Recipient must implement industry-recognized standards of best practices.

2. Definitions

- **Access To Recovery (ATRs)** is a recovery support services program that puts an emphasis on personal choice for substance abuse treatment which enables people who need substance abuse services to use a recovery-oriented system of care. ATR services include clinical, community-based, and faith-based services.

(See http://www.oregon.gov/oha/amh/ATR/Documents/ATR_Fact_Sheet.pdf.)

- **Facilitating Centers** or **SUD PDS Facilitating Centers** serve as “mentor sites” providing ongoing technical assistance and training, for the Recovery Centers. Facilitating Centers provide structure and support for developing and sustaining Recovery Centers.
- **Peer** means any individual who has similar life experience, either as a current or former recipient of addictions or mental health services, or as a family member of an individual who is a current recipient, or a former recipient, of addictions or mental health services.
- **Peer-Delivered Services** or **PDS** means a continuum of programs and supports provided by individuals who identify themselves as having behavioral health challenges, and are receiving, or have received, behavioral health care. Peer services can include programs that are Peer-operated (planned, delivered, and administered by people with lived experience), Peer partnerships (shared governance between Peer and non-Peer organizations or staff), and Peer employees – the unique discipline of providing Peer services as a member of the target population.
- **Peer-Run Organization** or **PRO** means organizations that are:
 - Independent - Owned, administratively controlled, and managed by Peers;
 - Autonomous - All decisions are made by the program;
 - Accountable - Responsibility for decisions rests with the program; and
 - Peer – controlled - Governance board is at least 51% Peers.

- **Peer Support Specialist** means a person providing peer delivered services to an individual or family member, with similar life experience. A Peer Support Specialist must be:
 - (a) A self-identified person currently, or formerly, receiving mental health services;
 - (b) A self-identified person in recovery from an addiction disorder, who meets the abstinence requirements for recovering staff in alcohol and other drug treatment programs;
 - (c) A self-identified person in recovery from problem gambling; or
 - (d) A family member of an individual who is a current or former recipient of addictions or mental health services.
- **Recovery** from alcohol and drug problems is a process of change through which an individual achieves abstinence and improved health, wellness, and quality of life.
- **Recovery Centers** are comprised of, and led, by people in Recovery from Substance Use Disorders, as defined in OAR 309-019-0105(112). The Recovery Centers maintain a structured daily schedule of activities where PDS may be delivered and serve as Recovery resources for the local community.
- **Recovery Oriented System of Care (ROSC)** means person-centered and self-directed approaches to care that build on the strengths and resilience of individuals, families, and communities to take responsibility for their sustained health, wellness, and recovery from alcohol and drug problems.
- **Substance Use Disorders (SUD)** means the recurrent use of alcohol or drugs or both causing clinically and functionally significant impairment, such as health problems, disability, and failure to meet major responsibilities at work, school, or home. According to the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition (DSM-5), a diagnosis of substance use disorder is based on evidence of impaired control, social impairment, risky use, and pharmacological criteria.

Standard Terms and Conditions

- 1. Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between OHA or any other agency or department of the State of Oregon, or both, and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this Section be construed as a waiver by the State of Oregon of the jurisdiction of any court or of any form of defense to or immunity from any Claim, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise. Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum. This Section shall survive expiration or termination of this Agreement.
- 2. Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Recipient and this Agreement. This Section shall survive expiration or termination of this Agreement.
- 3. Independent Parties.** The parties agree and acknowledge that their relationship is that of independent parties and that Recipient is not an officer, employee, or agent of the State of Oregon as those terms are used in ORS 30.265 or otherwise.
- 4. Grant Funds; Disbursements.**

 - a.** Recipient is not entitled to compensation under this Agreement by any other agency or department of the State of Oregon. Recipient understands and agrees that OHA's participation in this Agreement is contingent on OHA receiving appropriations, limitations, allotments or other expenditure authority sufficient to allow OHA, in the exercise of its reasonable administrative discretion, to participate in this Agreement.
 - b. Disbursement Method.** Disbursements under this Agreement will be made by Electronic Funds Transfer (EFT). Upon request, Recipient shall provide its taxpayer identification number (TIN) and other necessary banking information to receive EFT disbursement. Recipient shall maintain at its own expense a single financial institution or authorized disbursement agent capable of receiving and processing EFT using the Automated Clearing House (ACH) transfer method. The most current designation and EFT information will be used for all disbursements under this Agreement. Recipient shall provide this designation and information on a form provided by OHA. In the event that EFT information changes or the Recipient elects to designate a different financial institution for the receipt of any disbursement made using EFT procedures, the Recipient shall provide the changed information or designation to OHA on an OHA-approved form. OHA is not required to make any disbursement under this Agreement until

receipt of the correct EFT designation and disbursement information from the Recipient.

5. **Recovery of Overpayments.** Any funds disbursed to Recipient under this Agreement that are expended in violation or contravention of one or more of the provisions of this Agreement (“Misexpended Funds”) or that remain unexpended on the earlier of termination or expiration of this Agreement (“Unexpended Funds”) must be returned to OHA. Recipient shall return all Misexpended Funds to OHA promptly after OHA’s written demand and no later than 15 days after OHA’s written demand. Recipient shall return all Unexpended Funds to OHA within 14 days after the earlier of termination or expiration of this Agreement. OHA, in its sole discretion, may recover Misexpended or Unexpended Funds by withholding from payments due to Recipient such amounts, over such periods of time, as are necessary to recover the amount of the overpayment. Prior to withholding, if Recipient objects to the withholding or the amount proposed to be withheld, Recipient shall notify OHA that it wishes to engage in dispute resolution in accordance with Section 14 of this Exhibit.
6. **Ownership of Work Product.** Reserved.
7. **Contribution.**
 - a. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 (“Third Party Claim”) against a liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party’s liability with respect to the Third Party Claim.
 - b. With respect to a Third Party Claim for which the State is jointly liable with the Recipient (or would be if joined in the Third Party Claim), the State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the State on the one hand and of the Recipient on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The State’s contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the State had sole liability in the proceeding.

- c. With respect to a Third Party Claim for which the Recipient is jointly liable with the State (or would be if joined in the Third Party Claim), the Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the State in such proportion as is appropriate to reflect the relative fault of the Recipient on the one hand and of the State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Recipient on the one hand and of the State on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

This Section shall survive expiration or termination of this Agreement.

8. **Indemnification by Subcontractors.** Recipient shall take all reasonable steps to require its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims. This Section shall survive expiration or termination of this Agreement.

- (4) A proceeding or case is commenced, without the application or consent of Recipient, in any court of competent jurisdiction, seeking (1) the liquidation, dissolution or winding-up, or the composition or readjustment of debts, of Recipient, (2) the appointment of a trustee, receiver, custodian, liquidator, or the like of Recipient or of all or any substantial part of its assets, or (3) similar relief in respect to Recipient under any law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive days, or an order for relief against Recipient is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

b. OHA's Remedies for Recipient's Default. In the event Recipient is in default under Section 9.a., OHA may, at its option, pursue any or all of the remedies available to it under this Agreement and at law or in equity, including, but not limited to:

- (1) termination of this Agreement under Section 9.c.(2);

- (3) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief; or
- (4) exercise of its right of recovery of overpayments under Section 5 of this Exhibit B.

These remedies are cumulative to the extent the remedies are not inconsistent, and OHA may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever. If a court determines that Recipient was not in default under Section 9.a., then Recipient shall be entitled to the same remedies as if this Agreement was terminated pursuant to Section 9.c.(1).

c. Termination.

- (1) OHA's Right to Terminate at its Discretion. At its sole discretion, OHA may terminate this Agreement:
 - (a) For its convenience upon 30 days' prior written notice by OHA to Recipient;
 - (b) Immediately upon written notice if OHA fails to receive funding, appropriations, limitations, allotments or other expenditure authority at levels sufficient to continue supporting the program;

 - (5) Effect of Termination. Upon receiving a notice of termination of this Agreement or upon issuing a notice of termination to OHA, Recipient shall immediately cease all activities under this Agreement unless, in a notice issued by OHA, OHA expressly directs otherwise.
- 10. Insurance.** All employers, including Recipient, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide workers' compensation insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Recipient shall require subcontractors to maintain insurance as set forth in Exhibit C, which is attached hereto.
- 11. Records Maintenance, Access.** Recipient shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Recipient shall maintain any other records, books, documents, papers, plans, records of shipments and payments and writings of Recipient, whether in paper, electronic or other form, that are pertinent to this Agreement, in such a manner as to clearly document Recipient's performance. All financial records, other records, books, documents, papers, plans, records of shipments and payments and writings of Recipient whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records." Recipient acknowledges and agrees that OHA and the Oregon Secretary of State's Office and the federal government and their duly authorized representatives shall have access to all Records to perform examinations and audits and make excerpts and transcripts. Recipient shall retain and keep accessible all Records for the longest of:

- a. Six years following final disbursement and termination of this Agreement;

12. **Information Privacy/Security/Access.** If this Agreement requires or allows Recipient or, when allowed, its subcontractor(s), to have access to or use of any OHA computer system or other OHA Information Asset for which OHA imposes security requirements, and OHA grants Recipient or its subcontractor(s) access to such OHA Information Assets or Network and Information Systems, Recipient shall comply and require all subcontractor(s) to which such access has been granted to comply with OAR 943-014-0300 through OAR 943-014-0320, as such rules may be revised from time to time. 13. **Assignment of Agreement, Successors in Interest.**
 - a. Recipient shall not assign or transfer its interest in this Agreement without prior written consent of OHA. Any such assignment or transfer, if approved, is subject to such conditions and provisions required by OHA. No approval by OHA of any assignment or transfer of interest shall be deemed to create any obligation of OHA in addition to those set forth in this Agreement.
 - b. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties, their respective successors, and permitted assigns.
14. **Resolution of Disputes.** The parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation. This Section shall survive expiration or termination of this Agreement.
15. **Subcontracts.** Recipient shall not enter into any subcontracts for any part of the program supported by this Agreement without OHA's prior written consent. In addition to any other provisions OHA may require, Recipient shall include in any permitted subcontract under this Agreement provisions to ensure that OHA will receive the benefit of subcontractor activity(ies) as if the subcontractor were the Recipient with respect to Sections 1, 2, 3, 6, 7, 8, 10, 11, 12, 13, 15, 16, and 17 of this Exhibit B. OHA's consent to any subcontract shall not relieve Recipient of any of its duties or obligations under this Agreement.
16. **No Third Party Beneficiaries.** OHA and Recipient are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons any greater than the rights and benefits enjoyed by the general public unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Agreement. This Section shall survive expiration or termination of this Agreement.

17. **Severability.** The parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid. This Section shall survive expiration or termination of this Agreement.
18. **Notice.** Except as otherwise expressly provided in this Agreement, any communications between the parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, e-mail, or mailing the same, postage prepaid to Recipient or OHA at the address or number set forth in this Agreement, or to such other addresses or numbers as either party may indicate pursuant to this Section. Any communication or notice delivered by e-mail shall be deemed received and effective five days after the date of e-mailing. Any communication or notice delivered by facsimile shall be deemed received and effective on the day the transmitting machine generates a receipt of the successful transmission, if transmission was during normal business hours of the Recipient, or on the next business day if transmission was outside normal business hours of the Recipient. 20. **Amendments; Waiver; Consent.** OHA may amend this Agreement to the extent provided herein, the solicitation document, if any from which this Agreement arose, and to the extent permitted by applicable statutes and administrative rules. No amendment, waiver, or other consent under this Agreement shall bind either party unless it is in writing and signed by both parties and when required, approved by the Oregon Department of Justice. Such amendment, waiver, or consent shall be effective only in the specific instance and for the specific purpose given. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that party of that or any other provision. This Section shall survive the expiration or termination of this Agreement.
21. **Merger Clause.** This Agreement constitutes the entire agreement between the parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein, regarding this Agreement.

EXHIBIT C

Subcontractor Insurance Requirements

Local Government shall require its first-tier Contractor(s) (Contractor) that are not units of local government as defined in ORS 190.003, if any, to:

- i) obtain the insurance specified under TYPES AND AMOUNTS and meet the requirements under ADDITIONAL INSURED, CONTINUOUS CLAIMS MADE COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the Contractor(s) perform under contracts between Local Government and the Contractors (the "Subcontracts"), and
- ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Agency.

Local Government shall not authorize Contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, Local Government shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Local Government shall incorporate appropriate provisions in the Subcontracts permitting it to enforce Contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force, terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event, shall Local Government permit a Contractor to work under a Subcontract when the Local Government is aware that the Contractor is not in compliance with the insurance requirements. As used in this section, a "first-tier" Contractor is a Contractor with which the Local Government directly enters into a contract. It does not include a subcontractor with which the Contractor enters into a contract.

If Contractor maintains broader coverage and/or higher limits than the minimums shown in this insurance requirement exhibit, Agency requires and shall be entitled to the broader coverage and/or higher limits maintained by Contractor.

INSURANCE TYPES AND AMOUNTS

WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY:

All employers, including Contractor, that employ subject workers, as defined in ORS 656.027, shall comply with ORS 656.017 and shall provide Workers' Compensation Insurance coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Contractor shall require and ensure that each of its subcontractors complies with these requirements. If Contractor is a subject employer, as defined in ORS 656.023, Contractor shall also obtain Employers' Liability Insurance coverage with limits not less than \$500,000 each accident.

If Contractor is an employer subject to any other state's workers' compensation law, Contractor shall provide Workers' compensation Insurance coverage for its employees as required by applicable workers' compensation laws including Employers' Liability Insurance coverage with limits not less than \$500,000 and shall require and ensure that each of its out-of-state subcontractors complies with these requirements.

As applicable, Contractor shall obtain coverage to discharge all responsibilities and liabilities that arise out of or relate to the Jones Act with limits of no less than \$5,000,000 and/or the Longshoremen's and Harbor Workers' Compensation Act.

COMMERCIAL GENERAL LIABILITY:

PROFESSIONAL LIABILITY:

Required **Not required**

Contractor shall provide Professional Liability Insurance covering any damages caused by an error, omission or any negligent acts related to the services to be provided under the Contract/Subcontract by the Contractor and Contractor's subcontractors, agents, officers or employees in an amount not less than \$1,000,000 per claim and not less than \$2,000,000 annual aggregate limit.

If coverage is provided on a claims made basis, then either an extended reporting period of not less than 24 months shall be included in the Professional Liability Insurance coverage, or the Contractor and subcontractors shall provide continuous claims made coverage as stated below.

EXCESS/UMBRELLA INSURANCE:

A combination of primary and Excess/Umbrella insurance may be used to meet the required limits of insurance. The Excess or Umbrella policies must be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying insurance. No insurance policies maintained by the Additional Insureds, whether primary or Excess, and which also apply to a loss covered hereunder, are to be called upon to contribute to a loss until the Contractor's primary and Excess liability policies are exhausted.

If Excess/Umbrella insurance is used to meet the minimum insurance requirement, the Certificate of Insurance must include a list of all policies that fall under the Excess/Umbrella insurance.

ADDITIONAL COVERAGE REQUIREMENTS:

Contractor's insurance shall be primary and non-contributory with any other insurance. Contractor shall pay for all deductibles, self-insured retention (SIR), and self-insurance, if any.

ADDITIONAL INSURED:

Coverage must be primary and non-contributory with any other insurance and self-insurance.

Regarding Additional Insured status under the General Liability policy, the State of Oregon requires Additional Insured status with respect to liability arising out of ongoing operations and completed operations. The Additional Insured Endorsement with respect to liability arising out of Contractor's ongoing operations must be on or at least as broad as ISO Form CG 20 10 and the Additional Insured endorsement with respect to completed operations must be on or at least as broad as ISO form CG 20 37.

WAIVER OF SUBROGATION:

Contractor shall waive rights of subrogation which Contractor or any insurer of Contractor may acquire against the Agency or State of Oregon by virtue of the payment of any loss. Contractor must obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Agency or State of Oregon has received a waiver of subrogation endorsement from the Contractor or the Contractor's insurer(s).

CONTINUOUS CLAIMS MADE COVERAGE:

If any of the required liability insurance is on a claims made basis and does not include an extended reporting period of at least 24 months, then Contractor shall maintain Continuous Claims Made coverage, provided the effective date of the Continuous Claims Made coverage is on or before the effective date of the Contract, for a minimum of 24 months following the later of:

- (i) Contractor's completion and Agency/Local Government's acceptance of all Services required under the Contract, or
- (ii) Agency or Contractor's termination of this Contract, or
- (iii) The expiration of all warranty periods provided under this Contract.

CERTIFICATE(S) AND PROOF OF INSURANCE:

Local Government shall obtain from the Contractor a Certificate(s) of Insurance for all required insurance before Contractor delivers any goods and performs any Services required under this Contract. The Certificate(s) must list the State of Oregon, its officers, employees, and agents as a certificate holder and as an endorsed Additional Insured. The Certificate(s) of Insurance must also include all required endorsements or copies of the applicable policy language effecting coverage required by this Contract. If Excess/Umbrella Insurance is used to meet the minimum insurance requirement, the Certificate of Insurance must include a list of all policies that fall under the Excess/Umbrella Insurance. As proof of insurance, Agency/Local Government has the right to request copies of insurance policies and endorsements relating to the insurance requirements in this Contract.

NOTICE OF CHANGE OR CANCELLATION:

The Contractor or its insurer must provide at least 30 days' written notice to Local Government before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

INSURANCE REQUIREMENT REVIEW:

Contractor agrees to periodic review of insurance requirements by Agency/Local Government under this agreement and to provide updated requirements as mutually agreed upon by Contractor and Agency/Local Government.

STATE ACCEPTANCE:

All insurance providers are subject to Agency/Local Government acceptance. If requested by Agency/Local Government, Contractor shall provide complete copies of insurance policies, endorsements, self-insurance documents and related insurance documents to Agency/Local Government's representatives responsible for verification of the insurance coverages required under this Exhibit.
