12. Recipient's Project Manager is **Forrest Reinhardt, Executive Pastor**, or assigned designee upon individual's absence. Recipient shall notify County in writing when any contact information changes during the term of this Agreement.

14. Recipient, any subrecipient of Recipient, grantee, contractor, subcontractor, successor, transferee, and assignee of Recipient shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this Agreement. Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.
15. Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Treasury's implementing regulations.

Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.

16. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
17. Recipient acknowledges and agrees that compliance with these assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees, and assignees for the period in which such assistance is provided.
18. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.

III. COUNTY OBLIGATIONS

1. This Agreement is contingent upon County having Grant Funds sufficient to fund the Project. The Agreement is effective, and Grant Funds may be disbursed upon execution of this Agreement and the availability of Grant Funds as determined by County in its sole discretion.

4. County may impose sanctions against Recipient for failing to comply with the terms of this Agreement. Before imposing sanctions, County will send a notice to cure to Recipient if Recipient fails to comply and County will allow thirty (30) days from the date the notice to cure is sent for Recipient to respond and correct noted deficiencies or respond and show substantial steps toward cure; provided however, that in no event shall Recipient have more than 45 days to correct the noted deficiencies and if noted deficiencies have not been fully corrected within 45 days the County may impose sanctions against Recipient.
5. IV. GENERAL PROVISIONS

1. This Agreement may be terminated effective upon delivery of written notice to Recipient, or at such later date as may be established by County under any of the following conditions:
 - a. If Recipient fails to perform any of the provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and within thirty (30) days or such longer period as County may authorize, after receipt of written notice from County, fails to correct such failures or respond to the County addressing said notice in a matter reasonably acceptable to the County in its sole discretion, explaining the steps Recipient is taking to perform.
 - b. County or a court of competent jurisdiction determines that federal law, state law, rules, regulation, or guidelines are modified, changed, or interpreted in such a way that the activities described in **Exhibit A** are no longer allowable or no longer eligible for funding proposed by this Agreement.
2. County may impose one (1) or more of the sanctions described in this Agreement without prior notice and without opportunity to cure, in the event County determines:
 - a. Statements, information, or representations in Recipient's application and documents provided by Recipient to County prior to the execution of the Agreement, were false, misleading, fraudulent or misrepresentations; or
 - b. There has been a change in circumstances so that information provided in Recipient's application and documents provided by Recipient to County prior to the execution of the Agreement, and relied upon in making the grant, or representations concerning Recipient's application or the Project that County, in its reasonable discretion, determines are no longer true or accurate.
3. Recipient may terminate this Agreement effective upon delivery of written notice to County under any of the following conditions:
 - a. County fails to make payments due under this Agreement, or
 - b. County fails to perform the provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and within ten (10) days or such longer period as Recipient may authorize, after receipt of written notice from Recipient, fails to correct such failure.
4. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.

5. County and Recipient are the only Parties to this Agreement and, as such, are the only Parties entitled to enforce its terms. Nothing in this Agreement gives or shall be construed to give or provide any benefit, direct, indirect, or otherwise to third persons unless such third persons are expressly identified by name and specifically described as intended to be beneficiaries of its terms.
6. County and Recipient hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
7. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Agreement, including, without limitation, its validity, interpretation, construction, performance, and enforcement. Any Party bringing a legal action or proceeding against any other Party arising out of or relating to this Agreement shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Yamhill County. Each Party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum. Notwithstanding the above, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon.
8. Except as may be provided elsewhere herein, in the event that either party to this Agreement shall take any action, judicial or otherwise, to enforce or interpret any of the terms of this Agreement each party shall be wholly responsible for its own expenses which it may incur in taking such action, including costs and attorney fees, whether incurred in a suit or action or appeal from a judgment or decree therein or in connection with any non-judicial action.
9. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
10. This Agreement, Project application and documents provided by Recipient to County prior to the execution of the Agreement, and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. In the event of a conflict, the body of this Agreement and the attached **Exhibit A** will control over **Exhibit B**, or the Project application and documents provided by Recipient to County. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification, or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver by that Part of that or any other provision.
11. All rights and obligations of the parties under this Agreement will cease upon termination of this Agreement, other than the rights and obligations under Sections II.5., IV.2., IV.6., IV.7., IV.8, IV.11, IV.12 and those rights and obligations that by their express terms survive termination of this Agreement; provided, however, termination of this Agreement will not prejudice any rights or obligations accrued to either party under this Agreement prior to termination.
12. Except as provided elsewhere herein, neither party will be liable for incidental, consequential, or other direct damages arising out of or related to this Agreement, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither party will be liable for any damages or any sort arising solely from the termination of this Agreement in accordance with its terms.

13. Recipient may not assign or transfer its interest in this Agreement without the prior written consent of County and any attempt by Recipient to assign or transfer its interest in this Agreement without such consent will be void and of no force or effect. County's consent to Recipient's assignment or transfer of its interest in this Agreement will not relieve Recipient of any of its duties or obligations under this Agreement. The provisions of this Agreement will be binding upon and inure to the benefit of the parties hereto, and their respective successors and permitted assigns.

14. Recipient shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Recipient must maintain any other records, whether in paper or other form, pertinent to this Agreement in such a manner as to clearly document Recipient's performance. All financial records and other records, whether in paper, electronic or other forms, that are pertinent to this Agreement, are collectively referred to as "Records." Recipient acknowledges and agrees County and the federal government, and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. Recipient must retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later.

15. Time is of the essence in Recipient's performance of the Project activities under this Agreement.

THE PARTIES, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions and that the persons executing this Agreement have been duly authorized to do so.

PROJECT PROPOSAL

To: Yamhill County Commissioners

RE: ARPA Grant Proposal – Enhancing employment opportunities via Childcare Programs

Background: Northwest Christian Church (NCC) has a long history, through its “Northwest Cares” community-based programs and partnerships, of meeting social sector needs throughout Yamhill County. These include:

- Food Insecurity Response programs
- Emergency Relief and Response programs
- Medical Transportation Support for Elderly and Disabled programs
- Christmas Toy and Winter Clothing programs
- Community Recreation and Youth Activity programs
- School Partnership After-school programs (Middle Schools and Grade Schools)
- School Children Snack and Supplies programs
- Week-day Preschool

Our community and marketplace partners include:

- School Districts and School Principal/Counselors/Teachers
- Fire Department and Police Departments
- City and County Emergency Services
- George Fox University
- ADEC and the Austin Family Foundation
- Providence Hospital and Foundation
- Northwest Senior and Disabled Services
- YCAP and Love Inc
- Costco, Franz Bakery, local stores and farms

We understand a continuing challenge faces many families in Yamhill County causing them to be unable to enter or stay in the workforce, due to limited child-care opportunities available to them. In response, NCC has specifically initiated the following programs and services:

- **Newberg Christian Preschool** – Started nearly a decade ago and currently serving up to 120 children between ages 3 and 5 weekly during the school year.
- **My Zone** – Nearly 10 years ago we launched this program, which creates an option for Middle School students to have a safe, fun, and caring environment to be a part of after school until 5 PM. The school district provides busing for students from the schools to our campus and then picks up the students for home-ward rides.
- **The Zone** – In response to a request by a local elementary school, we began a no-cost option for kids to enjoy a program similar to what we had offered for Middle School students. We

Exhibit B.
B.O. 24-65

launched the program at Edwards Elementary School in the Spring of 2019, that has now grown to 4 schools in Newberg, Dundee, and Lafayette.

- **Covid Response** – During Covid, we pivoted and opened our church buildings up to be a tutoring/teaching center for “First Responder” families with elementary and middle school students. This allowed these parents the ability to stay in the work force while providing a place for their children to be cared for and tutored/taught while the schools were shut down.

NCC was recently asked if we could both “scale and sustain” programs to serve more children and families. With additional financial resources, these are the specific ways in which we could respond to this growing need by utilizing our staff, programing strategies and existing facilities in Newberg and McMinnville, and perhaps other communities in the County.

The opportunity well worth pursuing is scaling up our "The Zone" program. This is the no-cost, after-school program we have facilitated the past three years in partnership with the Newberg School District Newberg elementary schools and now expanding into the McMinnville School District. The first year had one Title I school, then we expanded to a second Title I school and this year we are expanding to 4 schools (adding Dundee Elementary and Wascher Elementary in Lafayette). This program has been facilitated and funded by NCC and the Austin Family Foundation (with a handful of additional small grants).

For context, "The Zone" was birthed-out the program called “My Zone”, which we had facilitated for Middle School Students in Newberg for over 10 years. The “My Zone” program continues to thrive utilizing about 10,000 sqft of space at our Newberg campus, along with our commercial kitchen and gymnasium. Our hope would be to someday launch a similar program in McMinnville.

Based on requests from a local school principal and simultaneously from the Austin Family foundation we expand this afterschool program effort and launched an afterschool program in the elementary schools. This elementary afterschool program is known as "The Zone". It costs us \$25,000 - \$30,000 per school per year to run this program. The school provides the space, and we provide the trained staff, program supplies and snacks. This program allows parents to continue working between 2:30 and 5:00 PM, Five-days a week...and for their children to be provided with an active, engaging program led by caring adults.

What started as one program at Edwards Elementary School in Newberg, has now grown to 4 Title One Schools in Newberg, Dundee, and Lafayette. Additionally, beginning this winter, Wascher Elementary is going to use "The Zone" program at their site to also launch a "Literacy Assistance" program. With all four The Zone programs operating, we have the ability to serve 240 – 320 children, which in turn translates into over 200 parents staying in the work force an additional 7.5 hours/week. Each school program also creates 5 new 10 hour/week part-time child-care work related jobs.

If the funding were available, we would pursue making this program available at every school in Yamhill County who saw the value of adding it for the benefit of children and their parents. At minimum, our goal would be to grow from 4 schools to 8 schools as quickly as possible.

The cost to scale the program in Yamhill County to twice its current size over the next three years would be approximately \$120,000/year or \$360,000 total. Additionally, we would request \$40,000 in grant funding to facilitate an "advancement" effort to raise the additional funding needed to sustain the program once it was scaled, which we believe is very achievable.

The Austin Family is currently providing \$120,000/year to fund our existing 4 afterschool "The Zone" programs in Yamhill County and this additional "advancement funding" would be used for expanding and sustaining the current funding base for this program.

Therefore, we would ask the County to consider a grant of \$400,000 to assist us in scaling and sustaining this program, which would serve an additional 240 – 300.

TOTAL FUNDING REQUEST
