Subject: Board Consideration: Permission to apply for Community Prevention Wellness funding
Attachments: RFP2024_Joint Funding Streams Community Prevention and Wellness.pdf

Hi Mary and Ken,

I would like permission to apply for \$95,000 in funding from Yamhill Community Care under the Community Prevention and Wellness Fund. This fund is focused on supporting community partners to implement primary prevention work and interventions. If awarded we intend to use the funds to expand a program to support pregnant women and their families in accessing and choosing nutritious food through education, cooking classes and the delivery of healthy food.

If our application is successful, I will return to the Board to request approval of the contract.

Carolina, please place this item on the next Board Agenda for approval. Suggested Board Agenda Language: "Authorize Lindsey Manfrin or designee on behalf of Yamhill Health and Human Services to submit an application for funding from Yamhill Community Care for Community Prevention and Wellness for \$95,000."

Thank you,
