Subject: Board Consideration: Permission to apply for Infrastructure Support and Modernization Funding \$150,000

Hi Mary and Ken,

I would like to ask permission to apply for \$150,000 in funding from the Oregon Health Authority to support the cost of a new Electronic Health Record system. There are two funding opportunities utilizing one application process; Infrastructure Support Reproductive Health Services and Modernization Funding for Reproductive Health Services. While this funding is not included in the Health and Human Service 2023-2024 Adopted Budget, the cost for software and implementation of a new Electronic Health Record system will inform our 2024-2025 Budget.

If our application is successful, funds awarded will be used to support the cost of software and implementation of a new Electronic Health Record system. The Request for Proposals (RFP) for the new EHR system closed in March and proposals are in review.

Please let me know if you have any questions.

Carolina, please place this request on the next Board Agenda for approval. Suggested Board Agenda language: "Authorize Lindsey Manfrin or designee on behalf of Yamhill County Health and Human Services to submit an application for \$150,000 in funding from the Oregon Health Authority, Infrastructure Support and Modernization Funding opportunities."

Thank you,

Lindsey Manfrin, DNP, RN
