YAMHILL COUNTY BOARD OF COMMISSIONERS COVERSHEET

DATE: June 13, 2024
TO: Board of Commissioners
FROM: Mark Lago, Public Works Director
RE: Purchase of a new 2024, Flush Truck (Freightliner Chassis with Aquatech SJR1500 mounted sewer jet)

BACKGROUND:

The current Flush truck:

Make 1990 International chassis with a 1982 mounted Aquatech body
Miles: 215,839
Repairs cost to date: \$225,916

The budget committee approved the purchase of a new flush truck in the 2022-23 budget. Public Works placed the order for the flush truck in January 2023 from Premier Truck Group of Portland under the state government administrative services PA1640 contact. The flush truck is finally ready for the county to receive delivery and pay for the flush truck at a price of \$314,123.

In July 2022 after the budget was approved and passed, Public Works Motor Pool funds were transferred to the Pool Motor Vehicle Fund (vehicle replacement fund) where it earned interest. Therefore, the new flush truck has been already paid out of the 2022-23 budget and will not affect the 2023-24 Public Works budget.

STAFF RECOMMENDATION:

Authorize the purchase of the new 2024 Flush Truck (Freightliner Chassis with Aquatech SJR1500 mounted sewer jet) from Premier Truck group of Portland under the state government contract for \$314,123.

FISCAL IMPACT: Funds will come out of the Pool Motor Vehicle Fund

ATTACHMENTS: Flush Truck Specifications
