YAMHILL COUNTY BOARD OF COMMISSIONERS COVERSHEET

DATE: August 1, 2024
TO: Board of Commissioners
FROM: Mark Lago, Public Works Director
RE: Purchase of a new 2024 CAT Skid Steer with Attachments

BACKGROUND:

The Skid Steer and attachments has many uses. This equipment is powerful, maneuverable, and easy to use. It is very similar to a dermal tool you would have at home because there are multiple attachments that can be connected and disconnect just like the Skid Steer. You can put a bucket on the front, cold planer, brush cutter, and forks (See attached picture).

Public Works rents a skid steer most years at a cost \$5,000 a month and another \$5,000 for the cold planer attachment.

The budget committee approved the purchase of a new Skid Steer in the 2024-25 budget. The County will purchase the Skid Steer from Peterson CAT under the state government Sourcwell contact #011723-CAT. The Skid Steer is ready for the county to receive delivery and pay at a price of \$159,654.58.

STAFF RECOMMENDATION:

Authorize the purchase of the new 2024 Skid Steer with Attachments from Peterson CAT under the state government Sourcwell contact for \$159,654.58.

FISCAL IMPACT: Funds will come out of the Pool Motor Vehicle Fund
