**Attachments:** Board Order.docx; 2025 YCSO Title VI Plan.pdf

Good morning,

Attached, please find the Board Order and Title VI Program Compliance Plan for the Sheriff's Office. Counsel Gollehon and Undersheriff Bowdle have worked to develop this plan, which allows YCSO to move the current IGA with Oregon Department of Transportation (SO25007IGA) from an non-reimbursable Truck Safety Inspector to a 95% reimbursable grant funding. In addition, this program will allow YCSO to become eligible for other similar grants.

We request that this item be added to the next available Board agenda.

Thank you,  
Emily

## INTRODUCTION

The Yamhill County Sheriff's Office (YCSO) participates in the Commercial Vehicle Safety Program for truck inspections. As a sub-recipient of federal financial assistance, the YCSO is obligated to adhere to, and is committed to achieving full compliance with, Title VI of the Civil Rights Act of 1964 (Title VI) and all related nondiscrimination laws. In Accordance with Title VI, this plan reflects YCSO's commitment to ensuring that no person shall, on the ground of race, color, national origin, religion, age, marital status, sexual orientation, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity provided by YCSO.

## POLICY STATEMENT

It is YCSO's policy that no person shall, on the grounds of race, color, national origin, age, sex, disability, income level or Limited English Proficiency as provided by Title VI of the Civil Rights Act of 1964 and related authorities, be excluded from participation in, be denied the benefit of, or be otherwise discriminated against under any of the programs or activities it administers.

As the Sheriff of YCSO, I have designated Patricia Rojas, Yamhill County Human Resources Manager, as the Title VI Coordinator, and she has direct and unfettered access to contact and/or meet with me when there is concern that needs to be brought to my attention. Under this policy, this designated official need not obtain any other organizational or managerial approval and will have the full support of my staff to work directly with me to address civil rights matters. Additionally, the Title VI Coordinator will receive the full participation and cooperation of affected YCSO staff, as needed, in implementing Agency's Title VI compliance activities, including compliance with 49 C.F.R. part 21 (Nondiscrimination in Federally-Assisted Programs of the Department of Transportation - Effectuation of Title VI of the Civil Rights Act of 1964) and 49 C.F.R. part 303 (Federal Motor Carrier Safety Administration's Title VI/Nondiscrimination Regulation).

## **NOTIFICATION TO BENEFICIARIES/PARTICIPANTS**

A Title VI Notice to the Public is posted on YCSO's website at [www.yamhillcounty.gov/482/Sheriff](http://www.yamhillcounty.gov/482/Sheriff) and in public areas located within each YCSO facility. A copy of the Title VI Notice to the Public is attached hereto as Appendix A.

## **FMCSA TITLE VI PROGRAM ASSURANCE**

The Federal Motor Carrier Safety Administration (FMCSA) Standard Title VI Nondiscrimination Assurances, with annexes, was signed on February 14, 2025, and can be found in Appendix B.

## **TRAINING**

In furtherance of its goal to have Title VI nondiscrimination considerations engrained in how the YCSO conducts business and how it provides its services, YCSO has taken steps to ensure its employees have access to inspector and investigator-specific Title VI training designed for MCSAP and Law Enforcement Grantees. This PowerPoint training is provided to all inspectors upon their initial certification by the Oregon Department of Transportation (ODOT). Reoccurring trainings are further provided in refresher courses, along with a discussion on the general understanding of how to address and comply with the FMCSA Enforcement Memorandum regarding ELP versus LEP (MC-ECE-2016-006), how discrimination complaints are filed, and ODOT CCD's data driven inspection policy (MCS-21-01).

## **COMPLAINT DISPOSITION PROCESS/FILING A TITLE VI COMPLAINT**

YCSO has an established the following standard process for investigations and disposition of complaints of discrimination. Members of the public may file a signed, written complaint up to one hundred and eighty (180) days from the date of the alleged discrimination. Once a Title VI complaint has been filed it enters a formal Title VI Complaint process. Web-based and PDF Discrimination Complaint Forms are available on the Oregon Department of Transportation (ODOT) Title VI program page and through the following hyperlinks:

The complaint process generally includes (but is not limited to) the following procedures:

1. Complaint intake;
2. Investigation planning;
3. Conducting the investigation;
4. Writing the investigation report; and
5. Ultimate disposition of the complaint.

#### **STATUS OF COMPLAINTS & CORRECTIVE ACTION; ACCESS TO RECORDS**

The YCSO maintains a log of complaints that have potential Title VI implications and includes a summary of those complaints. This log includes the name of the complainant; identification by demography (i.e., race, color, national origin, etc.); allegation(s); complaint date; date of investigation report; determination made and date; and any other relevant information as deemed appropriate. To date, YCSO has had no Title VI complaints, investigations, or lawsuits filed in the past 5 years.

YCSO will make the complaint log, and all other records relating to YCSO's implementation of its Title VI and Nondiscrimination Program, available for review by FMCSA, or delegate thereof, and/or Oregon DOT upon request.

#### **COMMERCIAL MOTOR VEHICLE INSPECTION SELECTION & UNBIASED ENFORCEMENT POLICIES**

In implementation of its Title VI Plan, YCSO shall follow the Oregon Department of Transportation (ODOT) *Inspection Selection Policy MSC-21-01*, which incorporates the Commercial Vehicle Safety Alliance's *Operational Policy #13* ("Selecting Vehicles for Inspection"). Policy *MSC-21-01* was based on work conducted at fixed and portable scales, and it was made effective by ODOT on May 29, 2021, as approved by Carla Phelps, Commercial Vehicle Safety and Enforcement Executive Manager.

Current ODOT compliance inspectors and certified law enforcement partners (including YCSO deputies) are required to certify that they understand and will follow Policy MCS-21-01. This certification and policy is distributed through ODOT's Title VI Inspector and through their investigator-specific training. ODOT maintains a record of certification that the materials have been reviewed and will be followed.

ODOT's Title VI Inspector and investigator-specific training is provided with every new inspector certification course. Additionally, Policy MCS-21-01 is reviewed in all inspection refresher training as part of an interactive question and answer session. Inspectors certified by ODOT are generally part of an inspection refresher class once every three years.

### **DESCRIPTION OF FEDERAL-AID PROGRAMS**

- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964.

The preceding statutory and regulatory cites hereinafter are referred to as the "Acts" and "Regulations," respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898 (1995), entitled "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations" emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI, to ensure nondiscrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns, and the Federal Motor Carrier Safety Administration (FMCSA) intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following Federal Highway Administration website for more information and facts about Environmental Justice:

[http://www.fhwa.dot.gov/environment/environmental\\_justice/index.cfm](http://www.fhwa.dot.gov/environment/environmental_justice/index.cfm)

Additionally, Executive Order 13166 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the "application of Title VI's prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency." When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT's "Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficient (LEP) Persons," dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

### **General Assurances**

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that: **No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity, for which the Recipient receives Federal financial assistance from DOT, including the FMCSA.**

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these nondiscrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

### **Specific Assurances**

More specifically, and without limiting the above General Assurance, the Recipient

agrees with and gives the following Assurances with respect to its Federally assisted FMCSA Program:

1. The Recipient agrees that each "activity," "facility," or "program," as defined in §§ 21.23(b) and 21.23(e) of 49 C.F.R. § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests for Proposals for work, or material subject to the Acts and the Regulations made in connection with FMCSA Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:  

*"The Yamhill County Sheriff's Office, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."*
3. The Recipient will insert the clauses of Exhibit 1 and 5 of this Assurance in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of Exhibit 2 of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.
7. That the Recipient will include the clauses set forth in Exhibit 3 and Exhibit 4 of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
  - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
  - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:

- a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
  - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the Yamhill County Sheriff's Office also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the the Federal Motor Carrier Safety Administration access to records, accounts, documents, information, facilities, and staff. It also recognizes that it must comply with any program or compliance reviews, and/or complaint investigations conducted by the the Federal Motor Carrier Safety Administration. You must keep records, reports, and submit the material for review upon request to FMCSA or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Yamhill County Sheriff's Office gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under its FMCSA. This ASSURANCE is binding on the Yamhill County Sheriff's Office, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the Yamhill County Sheriff's Office FMCSA Program.
