28 and 38.)	

WHEREAS, ORS Chapter 215 provides that the Yamhill County Board of Commissioners may adopt ordinances regulating the location, construction, maintenance, repair and alteration of buildings and other structures, and ordinances establishing standards for space, occupancy, light, ventilation, sanitation, heating, exits and fire protection for all buildings used or intended to be used for human habitation; and

WHEREAS, it appeared to the Board that on the 5th day of September, 1972, after due notice was given according to law, the Yamhill County Planning Commission held a public hearing regarding the enactment of an Ordinance to adopt the Uniform Building Code of the International Conference of Building Officials, 1970 Edition, Volume 1, with Appendix, with certain amendments, for Yamhill County, and on that date recommended to the Board the adoption of said Ordinance for Yamhill County; and

WHEREAS, on the 11th day of October , 1972, after due notice was given according to law, a public hearing on this matter was held by the Yamhill County Board of Commissioners; and

WHEREAS, the Board has now determined that such Ordinance is necessary and proper for the protection of the public health, safety, welfare, morals, and best interests of the people of Yamhill County; and

WHEREAS, after the termination of the said public hearing before the

Yamhill County Board of Commissioners, and at the regular session of the Board on the 11th day of October , 1972, a motion was duly made and regularly passed to adopt said Ordinance for Yamhill County; now, therefore,

IT IS HEREBY ORDAINED:

SECTION 1. TITLE.

This Ordinance may be cited for all purposes as the Yamhill County Building Ordinance, No. 43 , 1972.

SECTION 2. APPLICATION.

(1) The Uniform Building Code of the International Conference of Building Officials, 1970 Edition, Volume 1, with Appendix, hereinafter referred to as the 1970 Code, a copy of which is attached hereto and marked "Exhibit A - Ordinance No. 43 ," and made a part hereof, and all amendments thereto set forth in Section 7, are hereby enacted for the area of Yamhill County outside of incorporated cities, hereinafter referred to as the regulated area, and shall apply to all buildings and structures located in said regulated area, with the exceptions noted in Section 4.

(2) Where the requirements or conditions imposed by a provision of this Ordinance or the 1970 Code differ from the requirements or conditions imposed by a provision of another law, ordinance, or order having application in Yamhill County, the provision which is more restrictive shall govern.

SECTION 3. BASIC PROVISIONS.

Within the regulated area, where

(1) a building or structure is built, this Ordinance applies to the design and construction of the building or structure;

(2) the whole or part of a building, structure or mobile home is moved, either into or from the regulated area or from one property to

another within the regulated area, this Ordinance applies to the building, structure or mobile home or part thereof moved and to any remaining part affected by the change;

(3) the whole or part of a building, structure or mobile home is demolished, this Ordinance applies to the demolition and to any remaining part affected by the change;

(4) a building, structure or mobile home is altered, this Ordinance applies to the alteration, and to all parts of the building, structure or mobile home affected by the change;

(5) repairs are made to a building, structure or mobile home, this Ordinance applies to such repair;

(6) the class of occupancy of a building or structure or part thereof is changed, this Ordinance applies to all parts of the building or structure affected by the change.

SECTION 4. EXCEPTIONS.

(1) Except as provided in subsection (2) of this Section, this Ordinance does not apply to:

(a) any mobile home which conforms to the health and safety requirements of the Oregon State Board of Health, the Oregon State Fire Marshal, and the Oregon State Labor Commissioner; or

(b) any building or structure

(i) which is solely used or intended solely for use as an agricultural building;

(ii) which is not located on agricultural property but is solely used or intended solely for use to shelter farm implements, equipment, hay, grain, poultry, livestock or other farm produce, and such building or structure

is not used for human habitation and is not used by the public; or

(iii) which is an advertising or identification sign, and such sign, exclusive of supports, has a total area not exceeding twenty-four (24) square feet,

(2) Any mobile home, building, structure, or sign referred to in subsection (1) of this Section shall comply with the provisions of Section 5 (Setbacks), Section 9 (Prohibition), and Section 10 (Permits) of this Ordinance. Additions to any mobile home shall comply with all provisions of this Ordinance.

SECTION 5. SETBACKS.

Notwithstanding any other provisions of this Ordinance to the contrary, no part of any building or structure shall be located within fifty (50) feet of the centerline of any road, or within twenty (20) feet of the right-of-way line of any road.

SECTION 6. DEFINITIONS.

For the purposes of this Ordinance, all words, terms, and expressions contained herein shall be interpreted in accordance with the definitions set out in the 1970 Code, except that:

(1) BUILDING INSPECTOR or OFFICIAL shall mean the Yamhill County Building Inspector, or his regularly authorized deputy;

(2) CHIEF OF THE FIRE DEPARTMENT shall mean the head of the rural fire protection district having jurisdiction, or his regularly authorized deputy;

(3) CITY shall mean the area of Yamhill County outside of incorporated cities, hereinbefore referred to as the "regulated area";

(4) 1970 CODE shall mean the Uniform Building Code of the International Conference of Building Officials, 1970 Edition, Volume 1, with Appendix, and all amendments thereto set forth in Section 7 of this Ordinance;

(5) HEALTH OFFICER shall mean the Yamhill County Health Officer, or his regularly authorized deputy;

(6) LOT shall mean any parcel of land of record in the office of the Yamhill County Assessor;

(7) MOBILE HOME shall mean a structure designed for dwelling purposes, manufactured as a unit, and intended to be occupied in a place other than that of its manufacture;

(8) ROAD shall mean any public or private access road, street, highway, easement, or way platted, recorded, or shown on any official map, whether or not such road is actually constructed;

(9) SIGN shall mean a surface or space, whether continuous or not, which attracts the attention of, or conveys a message to, any person by means of letters, numbers, figures, or other symbols, devices, or representations;

(10) SITE shall mean any parcel or area of land having an area sufficient to satisfy the provisions of any Yamhill County zoning ordinance or interim zoning ordinance;

(11) WORK shall mean the construction, demolition, alteration, repair, moving, or change in the class of occupancy of any building or structure, and shall include the installation, construction, alteration or repair of any subsurface sewage-disposal system, and the placement and use of a mobile home as a living unit elsewhere than in an approved mobile-home park as defined in ORS Chapter 446.

SECTION 7. AMENDMENTS TO THE 1970 CODE.

(1) Where the requirements or conditions imposed by a provision of this Ordinance differ from the requirements or conditions imposed by the 1970 Code, the provision of this Ordinance shall govern.

(2) Without restricting the generality of the foregoing, the 1970 Code is amended as follows:

- (a) Section 503 (3), EXCEPTIONS: 4, by deleting the words "self-closing";
- (b) Section 1412, by deleting the clause "doors between a dwelling and a carport shall be self-closing";
- (c) Section 1504, by deleting the words "or I";
- (d) Section 1707, by adding to clause (a) the words "or four (4) mil polyethelene;" and by adding a fourth clause:
"(d) Temporary Waterproofing. Building paper on all exterior walls shall not remain uncovered more than eighteen (18) months following the date a permit has been issued for a building or structure."
- (e) Section 2506(g), by adding the following:
"EXCEPTION: Bridging and blocking of joists less than twelve (12) inches in depth shall not be required for Group I occupancies."
- (f) Section 2517(c)(6), by deleting and substituting therefor:
"Foundation Ventilation. The space between the bottom of floor joists and the ground of any building, except such space as is occupied by a basement or cellar, shall be provided with a sufficient number of ventilation openings through foundation walls or exterior walls to insure

ample ventilation, and such openings shall be covered with a corrosion-resistant wire mesh not greater than one-half ($\frac{1}{2}$) inch nor less than one-fourth ($\frac{1}{4}$) inch in any dimension. The minimum total area of ventilation openings shall be proportioned on the basis of one and one-half ($1\frac{1}{2}$) square feet for each twenty-five (25) linear feet or major fraction thereof of exterior wall. One such ventilation opening shall be located within three (3) feet of each corner of a building.

"The minimum clearance between the bottom of floor joists or the bottom of floors without joists and the ground beneath shall be eighteen (18) inches. The minimum clearance under girders shall be twelve (12) inches."

- (g) Section 2905(b), EXCEPTIONS, by adding a third paragraph:
"3. Upon submission of satisfactory structural analysis of all contributing factors, including but not limited to safe bearing value of soil, stability of soil, and earth pressure on foundations, the Building Official may waive the requirements for continuous spread footings for Group I occupancies."
- (h) Section 2905(e), by deleting the words "six (6) feet apart" and substituting therefore the words "eight (8) feet apart".
- (i) Section 3001(b), by adding a third clause:
"(c) Ventilation. Not less than one (1) inch of air space shall be provided between the veneer siding and the wall."
- (j) Section 3202, by deleting the second paragraph and substituting therefor:

"Plywood roof sheathing shall be of exterior type".

- (k) Section 3207(b), by adding a third paragraph:

"Roof drain lines shall be connected to tight-joint pipe which must extend at least twenty (20) feet from any building foundation wall."

- (l) Section 4501, by deleting in the first paragraph the words "except signs", and substituting therefor the words "including advertising or identification signs".

- (m) Section 7012(d), by adding the following:

"1. Foundation Protection. All foundations and footings below grade shall be designed and constructed so as to be adequately protected at all points against penetration of moisture. Normal precautions against water or dampness will require the measures contained herein. In those locations where the foundation is subjected to a high water table, or where surface or ground water drainage will present a problem, additional precautions may be required.

"2. Foundation Drains. Foundation or footing drains connected to a positive outfall shall be provided around foundations and footings. Tile shall be installed below the area to be protected. Clay or concrete drain tile shall comply with ASTM C-4 or ASTM C-412, or tile may be asbestos cement or bituminized fiber pipe.

"Drain tile shall be installed having a minimum slope to outfall of one-half ($\frac{1}{2}$) percent (approximately one inch (1) in twenty (20) feet). Tops of joints in drain tile shall be protected with strips of building paper. Drain tile shall

be covered with six (6) to eight (8) inches of coarse gravel or crushed rock.

"Foundation drains may be omitted at the discretion of the Building Official where well drained soil exists or where ground or surface water will not present a problem".

SECTION 8. RESPONSIBILITY OF OWNER.

Neither the granting of a permit, nor the approval of the drawings and specifications, nor inspections made by the Building Inspector shall in any way relieve the owner of such building or structure from full responsibility for carrying out all work in accordance with the requirements of this Ordinance.

SECTION 9. PROHIBITIONS.

(1) No person shall commence or continue any work in respect to any building, structure or mobile home without first obtaining a permit from the Building Inspector.

(2) No person shall commence or continue any work in respect to any subsurface sewage-disposal system without first obtaining a permit from the Health Officer.

(3) The written approval of the Building Inspector shall be obtained before:

- (a) the placing or pouring of any concrete;
- (b) a foundation below land surface is backfilled or covered;
- (c) the structural framework of a building or structure is covered or concealed.

(4) The written approval of the Health Officer shall be obtained before the backfilling of any subsurface sewage-disposal system.

(5) In respect to any work undertaken in violation of the provisions of subsections (3) or (4) of this Section, the Building Inspector or Health Officer, as the case may be, may at any time require that such work, in whole or in part, be exposed for inspection.

(6) No person shall occupy any new building or mobile home until sewage-disposal facilities meeting the minimum standards of the regulations of the State Board of Health or of any Yamhill County sewage-disposal ordinance have been installed and approved by the Health Officer.

SECTION 10. PERMITS.

(1) The Building Inspector shall issue a permit where:

- (a) an application for a permit has been made in accordance with the provisions of this Section, and
- (b) the proposed work set out in the application conforms to this Ordinance and all other laws, ordinances, or orders having application in Yamhill County,

(2) The Building Inspector shall not issue a permit where:

- (a) the proposed work, as set forth in the application, or the proposed use of the building or structure when completed, does not comply with the provisions of any Yamhill County zoning ordinance or interim zoning ordinance;
- (b) the owner or applicant, in relation to the proposed lot or site, has not complied with any County ordinance controlling the subdivision, platting, partitioning, or other division of land;
- (c) the proposed work, as set forth in the application, or the proposed building or structure when completed, would be in violation of any County official map ordinance;

- (d) a subsurface sewage-disposal system will be required and the proposed site does not meet the requirements or conditions therefor imposed by a provision of State law or regulation of the State Board of Health, or of any Yamhill County sewage-disposal ordinance. Where a subsurface sewage-disposal system will be required and the proposed site meets the requirements or conditions therefor imposed by a provision of the aforesaid laws, regulations or ordinances, the Building Inspector shall not issue a permit until a septic-tank permit has first been issued by the Health Officer;
- (e) the proposed site is located, all or in part, within any area determined by the Yamhill County Board of Commissioners to necessitate special building requirements as a result of potential floods, surface water, or other potentially hazardous conditions, and designated either "Yamhill County Special Permit Area", or "Flood Hazard District", or "Flood Plain Zone" in any County ordinance, and the special permit required by such ordinance has not been obtained by the applicant. All special building requirements included in any such special permit shall be incorporated into the permit issued to the applicant under this Ordinance.
- (f) in the opinion of the Building Inspector, the results of the tests referred to in Section 12 of this Ordinance are not satisfactory.
- (3) (a) The schedule of fees to be charged for the issuance of a permit under this Ordinance is as follows:

For work the value of which is \$250.00 or less No fee

For work the value of which is \$251.00 to \$500.00....\$5.00

For work the value of which is \$501.00 or more,
as per Section 303, Table 3-A, 1970 Code.

For the construction, alteration, or repair of
agricultural buildings or structures as speci-
fied in subsection (2) of Section 4 of this
Ordinance..... No fee

For moving or demolishing buildings or structures... No fee

For re-roofing or re-painting an existing building
or structure No permit

For the placement and use of a mobile home as a
living unit elsewhere than in an approved
mobile-home park..... \$10.00

For the construction, alteration, or repair of a
commercial, industrial, public or semipublic
building when accompanied by complete con-
struction plans prepared by an architect or
engineer registered by the State of Oregon
and certification by him that the plans and
construction are and will be in accordance
with the provisions of this Ordinance, State
laws and regulations \$20.00

For the construction, alteration, or repair of a
commercial, industrial, public or semipublic
building or structure without the required
certification shall be determined by the
regular fee schedule of this subsection.

For a site inspection and review of a plot plan as defined in subsection (5) of this Section to determine the feasibility of an individual subsurface sewage-disposal system, per lot or test site \$10.00

For a general site evaluation of an unsubdivided tract of land to identify the location and number of acceptable building sites where individual subsurface sewage-disposal systems would be feasible \$1.00 per acre or \$10.00 per approved site, whichever is greater, with a minimum fee of \$10.00.

For the installation or construction of a new individual subsurface sewage-disposal system \$25.00

For the alteration, or enlargement, or any repair involving an alteration of an individual subsurface sewage-disposal system \$10.00

For the review and completion of a Federal Housing Administration or Veterans Administration questionnaire with respect to a dwelling to be sold, including a site inspection of a water supply and sewage-disposal system \$15.00

For a domestic water test \$ 5.00

- (b) If the Building Inspector discovers any person undertaking any work in violation of this Ordinance, he shall notify the violator to cease such act or acts, and such violator

shall pay for such permit twice the amount of the fee otherwise levied.

- (c) The estimated value of the work shall be determined by the Building Inspector and shall be based on the declared cost of materials and labor for each permit for each building or structure.

The Building Inspector shall account for all fees paid under this Ordinance for any building permit or mobile-home placement permit and shall deposit same in the County General Fund.

- (4) Every permit is issued upon the condition that:
 - (a) construction is to be started within six (6) months from the date of issuance of the permit;
 - (b) construction is not to be discontinued or suspended for a period of more than one (1) year; and
 - (c) the exterior of any building shall be finished in durable, weather-resistant materials prior to employment in the particular use for which the building is intended.
- (5) An application for a permit shall:
 - (a) be made on the form prescribed by the Building Inspector;
 - (b) be signed by the applicant;
 - (c) be accompanied by the fee prescribed for the work to be undertaken;
 - (d) state the intended use of the building or structure;
 - (e) include copies in duplicate of a plot plan and scale drawings and specifications of the work to be carried out as required by ORS 671.025 and Section 301 of the 1970 Code.

Notwithstanding the provisions of Section 301 of the 1970 Code, the plot plan shall show and include:

- (i) the legal description, location, and dimensions of the land on which the building, structure or mobile home is, or is to be, located;
- (ii) the location of any streamcourses, water bodies, swamps, marshes, or areas of seasonal high water tables, or areas subject to flooding, or any areas of known or suspected geologic hazard or soil limitations, including slides, subsidence, or soil creep, on the land referred to in subclause (i);
- (iii) the location and dimensions of the right-of-way of any road abutting the land referred to in subclause (i);
- (iv) elevations and grades of any road abutting the land referred to in subclause (i), sufficient to identify any problems of access or drainage;
- (v) the location, dimensions and lowest floor elevation of the building, structure or mobile home in respect to which the proposed work is to be undertaken;
- (vi) the proposed use of each room or floor area of the building, structure or mobile home referred to in subclause (v);
- (vii) the location, dimensions and use of all other buildings, structures and mobile homes on the land referred to in subclause (i);

- (viii) the location or proposed location of any well or other domestic water source, if other than a community or municipal water supply;
- (ix) the location or proposed location of any pit privy or septic tank and leaching lines; and
- (f) contain any other information required by this Ordinance, the 1970 Code, or the Building Inspector; except, however, that an application to carry out any work in respect to any building or structure referred to in clause (b) of subsection (1) of Section 4 of this Ordinance shall not require any detailed construction drawings or specifications of the actual work to be undertaken, or the information on elevations and grades required under subclauses (iv) and (v) of clause (e) of this subsection.

SECTION 11. DOCUMENTS ON THE SITE.

- (1) The person to whom the permit is issued shall, during construction, keep
 - (a) posted in a conspicuous place on the property in respect of which the permit was issued a copy of the building permit or a poster or placard approved by the Building Inspector in lieu thereof; and,
 - (b) a copy of the approved drawings and specifications referred to in clause (e) of subsection (5) of Section 10 on the property in respect of which the permit was issued.

SECTION 12. POWERS OF THE BUILDING INSPECTOR.

- (1) The Building Inspector is charged with the administration and enforcement of this Ordinance.

- (2) The Building Inspector may:
- (a) enter any premises at any reasonable time for the purpose of administering this Ordinance;
 - (b) direct that tests of materials, devices, construction methods, structural assemblies or foundation conditions be made, or sufficient evidence or proof be submitted at the expense of the owner, where such evidence or proof is necessary to determine whether the material, devices, construction or foundation meets the requirements of this Ordinance. The records of such tests shall be kept available for inspection during the construction of the building or structure and for such a period thereafter as required by the Building Inspector;
 - (c) direct by written notice, or by attaching a placard to premises, the correction of any condition where, in the opinion of the Building Inspector, such condition violates the provisions of this Ordinance.
 - (d) revoke a permit where there is a violation of the provisions of subsection (4) of Section 10.

SECTION 13. APPEALS.

- (1) Appeals to the Board of Appeals.

- (a) Membership of Board of Appeals.

A Board of Appeals, consisting of five (5) members, shall be appointed by the Board of Commissioners to hear and decide appeals as provided hereunder, one (1) member to be appointed for five (5) years, one (1) for four (4) years, one (1) for three (3) years, one (1) for two (2)

years, and one (1) for one (1) year, and thereafter each new member shall serve for five (5) years or until his successor has been appointed. Where any member is appointed to fill a vacancy occurring during the term of a member, the successor's term shall run until the expiration of the term of the member he succeeds. The Board of Appeals shall appoint from its membership a Chairman and a Secretary who shall keep a written record of all proceedings of the Board.

(b) Qualifications of Board Members.

If any such persons are available in the County, each member shall be a licensed professional engineer or architect or a building contractor or superintendent of building construction, or other person qualified by experience and training to pass on matters pertaining to building construction, and at no time shall there be more than two members from the same profession or business; and at least one member shall, if possible, be a licensed architect and one member shall be a licensed structural or civil engineer.

(c) Application for Appeal.

The owner of a building or structure or any other person may appeal to the Board of Appeals a decision of the Building Inspector under the 1970 Code covering the manner of construction or materials to be used in the construction, alteration or repair of a building or structure. Application for appeal may be made when it is claimed that the true intent of the 1970 Code has been incorrectly interpreted, the provisions of said Code do not fully apply,

or an equally good or better form of construction can be used.

(d) Procedures of the Board.

All hearings shall be public, and the appellant, his representatives, the Building Inspector, and any other person whose interests may be affected by the matter on appeal shall be given an opportunity to be heard. The Board shall affirm, modify or reverse the decision of the Building Inspector by a concurring vote of three (3) members. The Board shall adopt reasonable rules and regulations for conducting its investigations and shall render all decisions and findings in writing to the Building Inspector, with a duplicate copy to the appellant.

(2) Appeals to the Board of Commissioners.

- (a) Any person aggrieved by a decision of the Board of Appeals shall have the right of appeal therefrom to the Board of Commissioners. Such appeal shall be made within thirty (30) days from the date of the decision of the Board of Appeals, and in the case of an appeal by the Building Inspector, the original appellant shall be notified within five (5) days from the date of the decision that the Building Inspector intends to appeal the decision.
- (b) Any person aggrieved by the issuance, denial, or revocation of a permit under the provisions of this Ordinance for any reason other than those set forth in clause (c) of subsection (1) of this Section, may appeal such issuance, denial, or revocation to the Board of Commissioners. Such

appeal shall be made within ten (10) days from the date of issuance, denial, or revocation of such permit. Such permit shall be deemed to have been issued, denied, or revoked on the date written notification of such action has been delivered by hand or mailed by the Building Inspector to the applicant at the address as shown in the application.

- (c) Appeals under this subsection shall be taken by filing with the Board a written request for hearing and determination on such issuance, denial, or revocation, setting forth the number of the application or permit subject to appeal.
- (d) Within ten (10) days from the date of taking an appeal pursuant to this subsection, the Board shall hear the appeal in public session, provided, however, that the time for such hearing may be extended for not more than ten (10) additional days when the Board unanimously determines that such extension is necessary for a fair and thorough hearing of such appeal. At the hearing the Board shall consider evidence presented by the appellant, together with any reports, comments, or information with respect thereto from any public office or official theretofore consulted, and any other evidence desired for consideration by the Board and presented at such hearing. Legal rules of evidence need not apply, but all evidence given orally shall be reduced to writing in summary form, and all documentary evidence shall be considered public.
- (e) Within ten (10) days from the date of the hearing provided

for in this subsection, the Board shall make a final determination on the issuance, denial, or revocation appealed from, by order entered in the Board records. Such determination shall be limited to a finding as to whether or not the issuance, denial or revocation appealed from was proper.

- (f) If the Board determines that the issuance, denial, or revocation appealed from was not proper, the Building Inspector shall immediately grant or revoke the permit, as the case may be, in accordance with the determination of the Board.

SECTION 14. PENALTY.

(1) No person shall commence or continue any work in respect to any building, structure or mobile home, or any subsurface sewage-disposal system in violation of the provisions of this Ordinance.

(2) Any violation referred to in subsection (1) of this Section shall be deemed a nuisance.

(3) Any person who violates the provisions of this Ordinance is liable upon conviction to:

(a) a fine of not more than one hundred dollars (\$100.00) for each day of violation where the offense is a continuing offense, but such fine shall not exceed one thousand dollars (\$1,000.00);

(b) a fine of not more than five hundred dollars (\$500.00) where the offense is not a continuing offense.

SECTION 15. VALIDITY.

The Yamhill County Board of Commissioners hereby declares that if any

section, subsection, sentence, clause or phrase of this Ordinance or of the 1970 Code adopted by this Ordinance, is for any reason held to be invalid by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance or Code.

SECTION 16. REPEAL.

Yamhill County Ordinances No. 28 (In the Matter of the Adoption of the Uniform Building Code, 1964, for Yamhill County) and No. 38 (In the Matter of an Ordinance to Amend Yamhill County Ordinance No. 28, the Uniform Building Code, 1964, for Yamhill County) shall be and are hereby repealed; provided, however, that violations of either of these Ordinances, and all amendments thereto, shall remain violations to the extent that the matters in violation do not conform to the provisions of this Ordinance.

SECTION 17.

This Ordinance shall be in force and effect from and after the 10th day of November 1972.

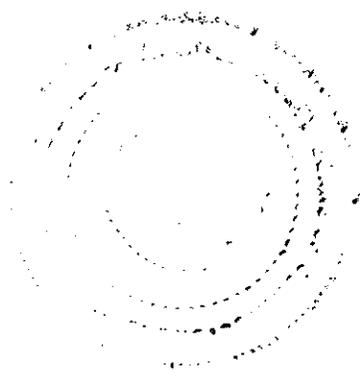

Dated this 11th day of October 1972.
