MEMORANDUM

Date: May 29th, 2025

To: Board of Commissioners

From: Ashley Watkins, Solid Waste Coordinator

Re: CPI Rate Increase for Recology

The Yamhill County Solid Waste Department and Solid Waste Advisory Committee (SWAC) are requesting that the attached documents be reviewed for the proposed CPI rate increase of 2.1% for Recology.

A rate review for Recology Western Oregon shows a CPI rate adjustment will keep the garbage service within their 85% to 91% operating ratio. Per County Code Chapter 5.20, Section 5.20.08.01(f) (amended by Ord. 647), the CPI rates shall be adjusted in a percentage amount equal to the percent change in the Consumer Price Index for all Urban Consumers for West-B/C, All Items (1982-84=100) published by the Bureau of Labor Statistics (the "Index") for the year ending in April; provided however, that the adjustment shall not exceed 4 percent in any year.

The Solid Waste Advisory Committee approved this CPI rate adjustment for recommendation unanimously at the May 14th, 2025, SWAC meeting.

Thank you,
Ashley Watkins
Solid Waste Coordinator

Approved by the Yamhill County Board of
Commissioners on 6/05/25
via Board Order 25-151

RE: Annual Report and Rate Increase

Dear Ashley:

In compliance with the terms of our franchise agreement, I am attaching our combined Annual Report for Yamhill County Suburban and Yamhill County Rural services and rates effective July 1, 2025.

The Annual Report includes the following:

- a. 2024 calendar year reviewed financial statements, as well as expenses and revenues we reasonably anticipate will be incurred for the current 12-month cycle,
- b. The Operating Ratios for the preceding calendar year and the current rate year

As you are aware, our franchise agreement provides two mechanisms for adjusting collection rates. The first mechanism is to utilize an annual CPI cost of living adjustment intended to maintain collection rates to keep up with current economic conditions. The second mechanism is via a rate review process which may either be requested by us or required by the franchise if the Annual Reports show us landing outside the allowable margin of 85% - 91%.

Recology's review of 2024 financials, as well as projected revenues and expenses for the current 12-month period, indicate that we fall within the allowable operating range. As a result, no full rate review is necessary this year. Per the terms of the franchise, Recology is increasing rates 2.1% using CPI effective July 1, 2025.

As always, we appreciate the opportunity to provide essential solid waste and recycling services. We look forward to attending an upcoming council meeting, either in person or virtually. Dan Blue will be reaching out to you soon to coordinate scheduling.

Please let us know if you have any questions or need any additional information. You can reach out to me at (503) 803-4984 or by email at ccarey@recology.com or to Dan Blue at 503-405-0261 or dblue@recology.com.

Respectfully,
