To the Delphian School Community,

It is with great pleasure that we extend our heartfelt congratulations to **Delphian School** as you celebrate your **50th anniversary**—a remarkable milestone marking five decades of excellence in education, service, and community building.

Since opening in **1976**, Delphian has been guided by a clear and inspiring mission: to empower young people with the skills, knowledge, and integrity to create positive change in the world. Through its distinctive blend of **boarding and day programs**, the school has provided a nurturing, challenging, and inspiring environment for generations of students.

Over the years, **800+ graduates** have walked across your commencement stage, joining thousands more whose lives were enriched through your dynamic summer and academic year programs. These alumni carry forward the values and skills they gained at Delphian, making an impact in communities near and far.

Equally inspiring is Delphian's **culture of service**. Your students' ongoing commitment to volunteering throughout **Yamhill County** reflects not only compassion and responsibility, but also the belief that education extends far beyond the classroom. This spirit of contribution is a lasting gift to your local community and to the world.

As you embark on your **50th anniversary year**, may you celebrate your rich history while continuing to chart bold new paths for the future. Your dedication to cultivating reason, creativity, leadership, and integrity in young people is as vital today as it was at your founding—and will remain so for the decades to come.

Congratulations once again on reaching this golden milestone, and best wishes for a bright and inspiring future.

With admiration,
