THE BOARD OF COMMISSIONERS OF YAMHILL COUNTY, OREGON ("the Board") sat for the transaction of county business in special session on June 28, 1995, commissioners Dennis L. Goecks, Robert Johnstone and Thomas E. E. Bunn being present.

THE YAMHILL COUNTY BOARD OF COMMISSIONERS ORDAINS AS FOLLOWS:

Section 1. DEFINITIONS.

A. A "controlled substance" means a drug or its immediate precursor classified in Schedules I through V under the Federal Controlled Substances Act, 21 U.S.C. Sections 811 to 812, as modified under ORS 475.035. For purposes of this ordinance, a "controlled substance" also includes marijuana as defined in this section.

B. "Deliver" or "delivery" means the actual, constructive, or attempted transfer, other than by administering or dispensing, from one person to another of a controlled substance, whether or not there is an agency relationship.

C. The term "drug paraphernalia" means all equipment, products, and materials of any kind which are used, intended for use, or designed for use, in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of the laws of this state. It includes, but is not limited to:

1. Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing or harvesting of any species of plant which is a controlled substance or from which a controlled substance can be derived;

B. n. 95-398

2. Kits used, intended for use, or designed for use in manufacturing, compounding, converting, producing, processing, or preparing controlled substances;

3. Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance;

4. Testing equipment used, intended for use, or designed, for use in weighing or measuring controlled substances;

5. Scales and balances used, intended for use, or designed for use in weighing or measuring controlled substances;

6. Diluents and adulterants such as quinine hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use, or designed for use in cutting controlled substances;

7. Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from, or in otherwise cleaning or refining, marijuana;

8. Blenders, bowls, containers, spoons and mixing devices used, intended for use, or designed for use in compounding controlled substances;

9. Capsules, balloons, envelopes and other containers used, intended for use, or designed for use in packaging small quantities of controlled substances;

10. Containers and other objects used, intended for use, or deigned for use in storing or concealing controlled substances;

11. Hypodermic syringes, needles and other objects used, intended for use, or designed for use in parenterally injecting controlled substances into the human body;

12. Objects used, intended for use, or designed for use in ingesting inhaling or otherwise introducing marijuana, cocaine, hashish, or hashish oil into the human body such as:

- a. Metal, wooden, acrylic, glass, stone, plastic, or ceramic pipes with or without screens, permanent screens, hashish heads, or punctured metal bowls;
- b. Water pipes;

D. "Marijuana" means all parts of the plant Cannabis family Moraceae, whether growing or not; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant or its resin. It does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted therefrom), fiber oil, or cake, or the sterilized seed of the plant which is incapable of germination.

Section 2. **FACTORS CONSIDERED IN DETERMINING PARAPHERNALIA.**

In determining whether an object is drug paraphernalia, a court or other authority shall consider, in addition to all other logically relevant factors, the following:

- A. Statements by an owner or by anyone in control of the object concerning its use;
- B. Prior convictions, if any, of an owner or of anyone in control of the object, under any municipal, state, tribal or federal law relating to any controlled substance;
- C. The proximity of the object in time and space to a direct violation of this chapter of the State Uniform Controlled Substances Act;
- D. The proximity of the object to controlled substances;

- E. The existence of any residue of controlled substances on the object;
- F. Direct or circumstantial evidence of the intent of an owner, or of anyone in control of the object, to deliver it to persons whom he knows intends to use the object to facilitate a violation of municipal or state law; the innocence of an owner, or of anyone in control of the object, as to a violation of this law or state law shall not prevent a finding that the object is intended for use, or designed for use as drug paraphernalia;
- G. Instructions, oral or written, provided with the object concerning its use;
- H. Descriptive materials accompanying the object which explain or depict its use;
- I. National and local advertising concerning its use;
- J. The manner in which the object is displayed for sale;
- K. Whether the owner, or anyone in control of the object is a legitimate supplier of like or related items to the community, such as a licensed distributor or dealer or tobacco products;
- L. Direct or circumstantial evidence of the ratio of sales of the object(s) to the total sales of the business enterprise;
- M. The existence and scope of legitimate uses for the object in the community;
- N. Expert testimony concerning its use.

Section 3. **OFFENSES AND PENALTIES.**

A. **Possession of Drug Paraphernalia.** It is unlawful within the unincorporated area of Yamhill County or within the city limits of any city whose governing body has consented to the application of this ordinance for any person to use, or to possess with intent to use, drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance unless the controlled substance is possessed under prescription of a licensed medical practitioner authorized to prescribe or dispense drugs in the State of Oregon.
