**Footnotes to above statement:**

- (1) Actual means total revenue and expenses received or disbursed by the county. Actual expenditures will usually be substantially lower than budgeted numbers.
- (2) Adopted refers to the budget adopted by the commissioners for 2017-18, plus any mid-year adjustments.
- (3) Approved refers to the budget approved by the budget committee in May for 2018-19.
- (4) Transfers are dollars moved between funds.
- (5) Although balances may be budgeted, they do not constitute expenditures. Any money left in a fund at the end of a year becomes a resource to that fund in the following year.
- (6) Includes Beginning Balances & Reserves.
- (7) Numbers include both current year levy and actual or expected collections of past due taxes. These also include beginning balances and reserves.
- (8) Does not include any mid-year adjustments.
- (9) For 2016-17, no expenses are shown in contingency. When dollars are needed from the contingency account, those monies are transferred to the fund and department that requires additional resources. Consequently, actual expenses in the contingency fund will always be \$0.
- (10) The county has several contingency accounts. The general fund contingency can be spent for any lawful purpose, while contingencies in other funds (e.g. Road Fund) are restricted to use within that fund.
