PREAMBLE

THIS AGREEMENT is entered into by Yamhill County, a political subdivision of the State of Oregon ("County") and the Yamhill County Juvenile Detention Workers Association (the "Association"). The parties acknowledge that there is a statutory division of authority and responsibility between the Board of Commissioners and certain elected officials or department heads with respect to the administration of the department affected by this Agreement and that the statutes shall control in the event of conflict with any provision of this Agreement. Unless otherwise indicated, the term "County" shall include the Board of Commissioners and elected officials.

This document represents the full agreement between the County and the Association. The purpose of this Agreement is to set forth those matters pertaining to rates of pay, hours of work, fringe benefits, and other matters pertaining to employment and to promote general efficiency of the employees covered in providing services to the citizens of County and to promote mutual respect between Association employees and County management. All previous agreements between the parties or individual employees covered by this Agreement are hereby superseded.

ARTICLE 1 – SCOPE OF AGREEMENT AND RECOGNITION

1.1 Recognition

Subject to Article 1.2, the County recognizes the Yamhill County Juvenile Detention Workers Association (referred to hereafter as "Association") as the sole and exclusive bargaining unit representative for ALL Juvenile Corrections Specialists employed by Yamhill County and who are considered prohibited from striking within the definition of ORS 243.736.

1.2 Scope of bargaining unit

The bargaining unit, through agreement, shall apply to all non-supervisory Juvenile Corrections Specialists employed by the County, excluding elected officials, supervisory employees, confidential employees, and irregular part-time Juvenile Corrections Specialists working less than 20 hours per week, persons hired for a period of six months or less, persons hired for temporary positions intended to be less than one year, and all other employees represented by other bargaining units. Employees renewed for a temporary position for more than one year of continuous employment shall be reviewed by both parties.

1.3 Intent

The intent of this Agreement is to set forth and record herein the basic and full agreement between the parties on those matters pertaining to employment relations which includes, but is not limited to matters concerning direct or indirect monetary benefits, hours, paid leave time, grievance procedures, and other conditions of employment.

1.4 Copies

There shall be at least two signed copies of the final Agreement for records. At least one copy shall be retained by the County and one by the Association.

1.5 Changes in Unit Composition

The County and Association will meet during labor negotiations and discuss inclusion and exclusion of employees in the bargaining unit so that transfers can be made when the Collective Bargaining Agreement is implemented.

ARTICLE 2 – MANAGEMENT RIGHTS

2.1 Rights Retained by County

The County retains all the customary, usual and exclusive rights, decision-making prerogatives, functions, and authority connected with or in any way incident to its responsibility to manage the affairs of the County and any County Department. The rights of employees in the bargaining unit and Association are limited to those specifically set forth in this Agreement, and County retains all prerogatives, functions and rights not specifically limited by the terms of this Agreement. The County shall have no obligation to bargain with the Association with respect to any such subjects or the exercise of its discretion and decision-making with regard thereto, any subjects covered by the terms of this Agreement and closed to further bargaining for the term hereof, and any subject which was, or might have been, raised in the course of the collective bargaining. The Association, however, does not waive express or implied rights as entitled under PECBA and the Employment Relations Board including bargaining obligations for mandatory subjects of bargaining.

2.2 Illustrations

Without limitations, but by way of illustration, the exclusive prerogatives, functions and rights of County shall include the following:

- (a) To direct and supervise all operations, functions, and policies of the departments in which employees in the bargaining unit are employed, and operations, functions and policies in the remainder of County as they may affect employees in the bargaining unit.
- (b) To close or liquidate an office, branch, operation of facility, service or combination thereof, or to relocate, reorganize or combine the work of divisions, offices, branches, operations or facilities for budgetary or other reasons.
- (c) To determine the levels of service and methods of operation, including subcontracting and the introduction of new equipment, the right to hire, lay off, transfer, promote, determine duties and qualifications to be required, job classifications, discipline and discharge for cause, determine work schedules and assign work, and any other such rights not specifically referred to in this Agreement.

2.3 Limitation on Applicability of Grievance Procedure

The exercise of any management prerogative, function or right which is not specifically modified by this Agreement is not subject to the grievance procedure or, as set forth above, to bargaining during the term of this Agreement. The application of the above management rights with respect to a particular employee or group of employees shall not be subject to settlement of disputes. Nothing in this Article is intended to inhibit or restrict informal, routine discussion of working conditions between the Association and the County representatives. Such discussions are encouraged for the purpose of providing mutually advantageous conditions and a high level of service to the Citizens of Yamhill County.

ARTICLE 3 – STRIKE

3.1 Strike Prohibited

The employees of the Association who work for the County as Juvenile Corrections Specialists are considered “guards” within the definition of ORS 243.762 and are prohibited from striking. The parties agree that the Association employees are subject to the collective bargaining arbitration process according to ORS 243.742.

The Association and its members, as individual’s or as a group will not initiate, cause, permit, or participate or join in any strike, work stoppage, or slowdown, picketing, or any other restriction of work affecting the operations of any County department at any location in the County. Employees in the bargaining unit, while acting in the course of their employment, shall not refuse to cross any picket line established by any labor organization when called upon to cross such picket line in the line of duty. The County shall not lock out any employee during the term of this Agreement.

Upon notification confirmed in writing by County to Association that certain bargaining unit employees covered by this Agreement are engaged in strike activity in violation of this Article, the Association shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the County to return to work immediately. Such notification by the Association shall not constitute an admission that it has caused or counseled such strike activities.

Disciplinary action, including discharge, may be taken by the County against any Association employee or employees engaged in a violation of this Article. Such disciplinary action may be undertaken selectively at the option of the County and shall not preclude or restrict recourse to any other remedies, including an action for damages, which may be available to the County. This section applies during the express terms of the Agreement and does not limit protected rights after the termination of this Agreement.

ARTICLE 4 – HOURS OF WORK

4.1 Regular Hours

The regular hours of work each day shall be consecutive. For employees working full time, eight (8) or ten (10) hours of work on consecutive days, shall constitute an employee’s assigned shift and each shift shall have regular starting and quitting times excluding those employees on flexible or irregular schedules. Changes in an employee’s shift times shall require ten (10) days advance notice, except in emergency work situations. Nothing in this Article shall restrict an employee and the County from temporarily modifying the work schedule when necessary and/or the parties mutually agreeing to the change. Employees on ten (10) hour shifts may also be assigned a single eight (8) hour shift during the work week.

4.2. Modified Work Week

Whenever the normal work week is modified, the employee will be given ten (10) days advance notice. The notice shall contain the effective date of change.

4.3 Rest Periods

Employees shall be allowed one rest period of 15 minutes duration in each one-half work shift which, insofar as is practicable, shall be in the middle of each half-shift. Such rest periods shall normally be on a scheduled basis so that activities of the department shall be staffed at all times.

Employees who are required to work beyond their regular quitting time shall be allowed a 15 minute rest period before commencing overtime work, provided that it can be reasonably foreseen that such overtime will exceed two hours in duration.

4.4 Meal Periods

Employees who work in continuous duty assignments will have a paid period for meals. Employees may be interrupted during these meal times.

4.5 Special Work Hours

(a) The parties recognize that at times variances from this Article may be desirable to meet the specific needs of the department. In such cases the parties shall meet and negotiate an acceptable hour-of-work agreement to meet such needs. If no such agreement is reached, the terms of this Agreement, including sections 4.1 through 4.4, shall prevail. Those variations presently existing are recognized by this section and no new negotiations are required.

(b) Flexible work hours. Employees of the department may work a flexible work schedule. A flexible work schedule is a schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting and stopping times vary on a daily basis but not necessarily each day, or a work schedule in which you may not have consecutive days off, but does not exceed 40 hours in a work week, and is mutually agreed upon by the employee and employer, and approved in advance by the department head. Such schedules shall be signed by the affected employee and the department head and placed in the employee's personnel file. An employee of the department may request a flexible work schedule by submitting a proposal in writing to their supervisor outlining the proposed schedule. Flexible schedules shall be considered in good faith by both parties, however, final approval or denial of a flexible schedule is in the sole reasonable discretion of the department head and is subject to the needs of the department, as determined by management. All schedules are subject to change based on the changing needs of the department, as determined by management. Requests that are denied will be in writing with an explanation for the denial.

4.6 Waiver

For purposes of Sections 4.1, 4.5(b), and 6.4(d), the provisions of ORS 653.268 are expressly waived.

ARTICLE 5 – ASSOCIATION SECURITY AND CHECK OFF

5.1 Right to Organize

Employees shall have the right to self-organize, to form, join or assist the Association, or to refrain therefrom, and there shall be no discrimination exercised against any employee covered by this Agreement because of his/her membership or Association activities.

5.2 Deduction of Membership Dues

The County Agrees to deduct and pay to the Association from the pay of employees who are members of the Association and who consent to the deduction such dues as determined by the Association.

The County will accept a list from the Association indicating member employees who have provided written authorization for the deduction of membership dues. The County shall rely on the list to make authorized deductions and remit payment to the Association. Copies of payroll authorization forms will be provided to both the Association and the County.

The amounts to be deducted shall be certified to the County in writing by the treasurer of the Association. The Association shall have sole responsibility to notify County of any change in the amount of dues to be deducted at least sixty (60) days in advance of said change. Under no circumstances shall County be required to deduct Association fines, penalties, or other assessments from the wages of any member employee.

The employer will remit the aggregate of all deductions for all employees, together with an itemized statement showing the name of each employee from whose pay deductions have been made and the amount(s) deducted during the period covered by the remittance.

Each member employee's authorization for payroll deductions shall remain in full force and effect permanently unless the employee is no longer employed in a position in the bargaining unit represented by Association or the member employee revokes the authorization by sending an original written, signed and dated notice via U.S. Mail or hand delivery to both the County and Association. The cancellation will become effective and shall be implemented no later than the second payroll after receipt of notice by County.

When a member employee separates from employment with County or is laid off, regardless of the reason for separation or lay off, any unpaid dues owed to the Association will be deducted from the employee's last paycheck if funds are available for such deduction after statutory, court-ordered, and other voluntary deductions and/or wage withholdings have been made.

The Association shall defend, indemnify and hold harmless the County against any and all claims, orders, judgments, damages, suits or any other forms of liability which may arise out of any action taken or not taken by the County for the purpose of implementing or complying with the provisions of this section. Furthermore, the Association shall defend, indemnify and hold harmless the County against any and all claims, order, judgments, damages, suits or any other forms of liability which may arise out of (i) the Association's administration of the dues deduction system under this section, and (ii) the negligence of the Association for its negligent acts or failure to act under, or in compliance with, this section.

ARTICLE 6 – WAGES AND SALARY

6.1 Wages

Effective July 1, 2023 all full time Juvenile Corrections Specialists shall move to the step in Range 18 that matches their current rate. If there is no step in Range 18 that matches their current rate, then they shall be moved to Range 18, Step 1.

Effective the first day of the pay period after September 1, 2023 the County will increase the salary schedule by five percent (5%) as a cost of living adjustment.

Effective the first day of the pay period after July 1, 2024 the County will increase the salary schedule by four percent (4.0%) as a cost of living adjustment.

Effective the first day of the pay period after July 1, 2025 the County will increase the salary schedule by three percent (3.0%) as a cost of living adjustment.

6.2 Reporting Time

Any employee who is scheduled to report to work and who presents for work as scheduled, but where in the discretion of the County, work is not available for the employee, shall be excused from duty and paid for a minimum of two hours at the employee's regular rate.

6.3 Call Out Pay

Any employee called to work outside his/her regular shift shall be compensated for a minimum of two hours at the rate and in the manner as set forth in sections 6.4 and 6.5 of this Agreement. Said call-out pay shall be paid on a portal to portal basis from and to the following: the shorter distance of the employee's residence or the County-line to the reporting location, whichever is less.

Any employee called to work on any day other than their regularly scheduled work day shall be compensated for a minimum of two hours at the rate and in the manner set forth in sections 6.4 and 6.5 of this Agreement. Call-out pay pursuant to this subsection shall be paid on a portal to portal basis from and to the following: the shorter distance of the employee's residence or the County-line to the reporting location, whichever is less.

6.4 Overtime

To the extent practical, overtime should be equalized among employees affected, in the classification affected. Employees shall be compensated at the rate of time and one-half or the applicable overtime rate (whichever is greater) for work under the following conditions but in no event shall such compensation be received twice (pyramided) for the same hours.

- (a) All assigned work authorized by a department head in excess of either 8 hours a day for employees on a 5 day work week, or 10 hours a day for employees on a 4-day work week.
- (b) All assigned work authorized by department heads in excess of 40 hours in any work week.
- (c) All overtime must have prior approval by department head (or designee) or departmental policy – including policies that preauthorize activities as compensable with comp time as defined under this section 6.4. An employee may choose to be compensated in either cash or comp time on a case by case basis subject to operational and/or budgetary needs.
- (d) Compensatory Time ("Comp Time")
 - (i) Comp time shall be defined as time off awarded in lieu of compensation pay for overtime. Compensation for authorized overtime work shall be paid in the form of compensatory time off, or at the option of the employee, in the form of compensatory pay at the applicable rate,

subject to operational needs, budgetary limitations, and to the Fair Labor Standards Act. Overtime worked shall be computed daily to the nearest quarter hour and shall not be carried forward from day to day.

- (ii) Comp time may be accumulated up to a maximum of 80 hours. Any hours in excess of the maximum accumulation as computed at the end of a regular payroll period will be paid to the employee as part of that payroll. Departmental policies (or allowable special arrangements that are mutually agreed upon between the employee and department head) may increase the maximum accumulation allowed.
- (iii) An employee may cash out compensatory time on a fiscal year basis. Any accrued comp time shall be used or paid in cash by the end of the last full pay period of the fiscal year (pay period ending on June 23). Any remaining balance of comp time as of June 23 will be paid out in the last paycheck of the fiscal year.

6.5 Shift Differential

The County and the Association recognize that a work week may contain three different shifts: day, swing, and graveyard. The County agrees to apply the following shift premium pay in addition to the established wage rate:

- (a) An hourly premium of \$.70 to employees for all hours worked on shifts beginning between the hours of noon (12:00pm) and 6:59 pm; or
- (b) An hourly premium of \$1.10 to employees for all hours worked on shifts beginning between the hours of 7:00pm and 5:59 am.
- (c) When computing the overtime rate due an employee receiving shift differential pay, such pay must be included in the overtime rate.
- (d) Employees are not entitled to shift differential pay for a single shift change that is done by request of and for the benefit of the employee.
- (e) Any employee regularly receiving shift differential pay shall receive their normal shift premium when paid for FET, compensatory time, and Holiday Time.

6.6 Trade Time

By mutual agreement between an employee and the employee's supervisor, the work day may be temporarily adjusted within the work week only. The intent of this section is to cover unexpected or occasional changes in work hours to accommodate either individual employee needs or employer work needs. However, in no case will an employee be required by the employer to use trade time if required to work hours outside their normal schedule. In no case shall the number of hours in any work day exceed the employees' regular work shift by more than 2 hours without the payment of overtime.

6.7 Promotional Increase

Any employee who is promoted shall be paid at a rate of no less than that step on the salary schedule which is closest to but higher than the current rate.

6.8 Performance Evaluations

(a) Evaluation. Yearly evaluation will be provided during the anniversary month of the affected employee. Such evaluation shall be a determination of satisfactory or unsatisfactory performance as noted on the personnel action form. Satisfactory performance will result in a yearly step increase as eligible. A step increase may be denied for unsatisfactory performance. Unsatisfactory performance may lead to counseling, work improvement plans or disciplinary action if authorized by this Agreement. Should the yearly evaluation not occur within the anniversary month, the work performance will be deemed satisfactory unless time lines are extended by mutual agreement between the County and the Association. Copies of the yearly performance evaluations will be kept in an employee's personnel file.

(b) It is recognized that the department may continue additional evaluation activities; however these intermittent evaluation records shall be kept in the working files of managers and employees and not in the County personnel file. The department shall attempt to meet annually with each employee on a one-to-one basis to cover goals and expectations of the employee and department.

(c) Satisfactory Performance: Employees receiving a satisfactory evaluation shall receive a merit increase equal to one step on the salary schedule. Employees at the top step of the salary schedule will not receive a merit increase pursuant to this section. Nothing in this section shall prohibit a supervisor from recommending to the County Administrator that an employee receive an early step increase where the supervisor believes that the employee is deserving of early merit recognition. The County Administrator shall have authority to accept or reject the supervisor's recommendation. In the event the employee receives a merit increase prior to the applicable date, the employee's new evaluation date for the purposes of further merit increase shall be twelve months from the date of the last merit increase.

(d) Unsatisfactory Annual Evaluation: Management shall provide substantiating evidence of an unsatisfactory evaluation. Unsatisfactory performance may lead to counseling, work improvement plans or disciplinary actions if authorized by this Agreement. Where the step increase has been denied, a work improvement plan (not to exceed a total of 180 days as per Article 6.9) shall be developed which identifies timelines under which the decision to deny the step increase shall be reconsidered. In the event the performance is deemed sufficient to warrant a step increase, the effective date of the step increase shall be the date of reconsideration. Nothing in this section shall change the anniversary date and is not subject to 6.10c.

(e) An employee may submit comments or rebuttal to an evaluation.

6.9 Work Improvement Plans

(a) The County may issue a work improvement plan where an employee's performance or behavior is unsatisfactory. Work improvement plans themselves are not considered disciplinary unless attached to a disciplinary action. Such work improvement plans shall include; job description expectations, performance deficiencies, criteria or objectives and how they will be measured in order to complete the plan, and the consequences, and time lines if not completed successfully. Monthly reviews of the progress of the employee in satisfying the work improvement plan will be required. The County may issue a work improvement plan where an employee's performance or behavior is unsatisfactory. Failure by a supervisor to conduct the stated periodic review will result in the plan becoming null and void for the purpose of imposing discipline for a failure to complete the work improvement plan. The supervisor

may adjust the timing of the reviews provided that the intent of giving the employee updates on their progress is met. This provision does not prohibit the employer from imposing a new work plan.

(b) Work improvement plans shall have a specified duration not to exceed 180 days. When a work improvement plan is imposed, Human Resources and the Association shall be notified of such action.

6.10 Merit Raise

(a) Eligible employees will receive merit raises in accordance with this section on their next regular anniversary date.

(b) Employees receiving a satisfactory with merit or higher evaluation on their annual evaluation shall receive a merit increase equal to one step on the salary schedule. Employees at the top step of the salary schedule for their job classification will not receive a merit raise, pursuant to this section.

(c) The annual evaluation date for employee under this section shall be as follow.

(i) An annual merit increase shall be on the basis of 1 year from the date of the last merit or step increase. Except for an employee on probationary status, an annual evaluation pursuant to this section shall be 1 year from the date of the last merit or step increase.

(ii) Notwithstanding subsection (i) in the event an employee receives a merit increase in less time than the 12-month period provided herein, the employees new annual evaluation date for the purpose of further merit increases shall be twelve months from the date of the last merit increase.

(iii) Nothing in this section shall prohibit a supervisor from recommending to the County Administrator that an employee receive an early step increase where the supervisor believes that the employee is deserving of such early merit recognition. The County Administrator shall have authority to accept or reject the supervisor's recommendation.

6.11 Longevity Premium

(a) Employees with the following years of continuous service who are then employed by Yamhill County shall receive one-twelfth (1/12th) of the stated pay each month as a longevity premium starting with the paycheck following their anniversary date, except as provided in subsection (b)

10 years– \$900.00 on anniversary date

15 years– \$1,200.00 on anniversary date

20 years– \$1,600.00 on anniversary date

25 years– \$2,000.00 on anniversary date

(b) Employees not eligible for the longevity premium are stated below under the following circumstances:

(i) The employee is on a work plan on the anniversary date; however the longevity premium will be paid once the employee has satisfactorily completed the work plan.

(ii) The employee has received formal discipline within the year preceding the anniversary date and the discipline has not been removed from the personnel file following a grievance under Article 13.

6.12 Mileage and Travel Expenses

When an employee is authorized to use his/her own car on official County business, the employee shall be reimbursed at the then-current County mileage reimbursement rate for all business miles. The County will review the mileage rate yearly in comparisons with other jurisdictions and the IRS rate.

Meals will be, when necessary, reimbursed by the employer in accordance with the schedule on the reimbursement form.

ARTICLE 7 – HOLIDAYS

7.1 Holidays

The following shall be recognized as paid Holidays:

New Year's Day	Veteran's Day
Martin Luther King's Birthday	Thanksgiving day
President's Day	Christmas Day
Memorial Day	2 Floating Personal Holidays**
Independence Day	1 Commissioner's Day***
Labor Day	Juneteenth

Association employees shall be granted two additional personal holidays as they are part of a 24 hour continuous operations division. These personal holidays may be used at the discretion of the employee with the consent of the department head between November 1st and January 31st in the applicable year. Any personal holiday named in this paragraph not taken prior to termination or January 31st of the applicable year, whichever occurs first, is lost. Personal holidays have no cash value.

** Floating Personal Holidays may be used at the discretion of the employee with the consent of the supervisor, provided however the employee must be employed for at least three months before the floating personal holidays may be used. In lieu of taking one or two floating personal holidays, an employee may elect to take cash payment equivalent to 8 hours pay per floating personal holiday not taken. In all cases, personal holidays must be taken by the end of the fiscal year (June 30th). If not taken before the end of the fiscal year, the floating personal holiday is forfeited, and if the election for cash payment has not been made, the cash payment is also forfeited.

*** Commissioner's Day may be taken during the months of November, December, or January with consent of the supervisor. If the Commissioner's day is not taken prior to January 31st the Commissioner's day is forfeited. A Commissioner's day has no cash value.

7.2 Holiday Pay

(a) Eligible employees shall receive 8 hours pay for each of the holidays listed in 7.1 on which they perform no work. If any employee is on authorized leave when a holiday occurs, the holiday shall not be charged against such leave. Unless on a bona fide authorized leave with pay, an employee, to be eligible for holiday pay, must work their full assigned shifts next preceding and following the holiday. Holiday pay shall be prorated for regular part-time employees.

(b) Holiday pay is for an eight (8) hour day; (10) hour days shall be supplemented with comp time, FET, trade time, or leave without pay if the employee has exhausted all paid leave.

7.3 Holiday Work

If an employee is required to work any of the holiday's as defined in section 7.1 they shall receive holiday pay and, in addition to the regular holiday pay, compensation for all hours worked at one and one half their regular rate of pay, or at the option of County compensatory time off with pay equivalent to one and one-half times the time worked on the holiday. Compensatory time off accrued by reason of authorized work on a holiday as provided herein shall be paid for at the employee's regular rate of pay at the time work was performed if now scheduled or taken as compensatory time off within 30 days. For the purpose of this Article "holiday worked" means the actual holiday date and not the County observed holiday, provided that the majority of hours worked in the shift fall on the actual holiday date.

ARTICLE 8 – FLEXIBLE EARNED TIME (FET)

(a) Full time employees shall accrue flexible earned time (FET) as follows

<u>MONTHS (YEARS) Of SERVICE</u>	<u>HOURS (FET) Per Month</u>

12.1 Cause for Discipline or Discharge: Types of Discipline, Representation and Rights

(a) The County may discipline, discharge, suspend, or reduce the pay of an employee for just cause. Discipline shall normally be progressive. Suspension shall not exceed two weeks. The county may impose sanctions based on the totality of circumstances and severity of the conduct. Reduction in pay means a lower step on the employee's salary range.

(b) Employee's engaging in behavior that disrupts the orderly, efficient, or safe operation of business or reduces their performance or the performance of co-workers that reasonably might be expected by management may be subject to discipline. Such behaviors may be defined in the employee handbook or by department policy.

(c) Formal Discipline: Forms of formal discipline include, but are not limited to: letter of reprimand, suspension, reduction in salary, demotion, and termination. Discipline will normally be progressive; however, any level of discipline may be imposed based upon the totality of the circumstances and just cause. The County may terminate, suspend, or reduce the pay of an employee for the following actions which do not require prior discipline: dishonesty, including theft, drinking or being under the influence of intoxicants, when related to employment activity, use or sale of illegal drugs, gross insubordination, conviction of a felony, conviction of a misdemeanor related to work, obtaining leave or benefits under a false pretense, deliberate or reckless destruction of County property, gross misconduct or sexual conduct in connection with work or other similar conduct which reflects poorly on County employment.

(d) Informal Discipline: Forms of informal discipline include, but are not limited to counseling, verbal warnings, letters of instruction, and work improvement plans. These forms of informal discipline may serve as evidence for future formal disciplines. Information regarding informal discipline shall be kept in the managers working file. Informal discipline is not subject to the grievance process. If the informal discipline is reduced to writing, the employee may provide a written rebuttal.

(e) Employees involved in disciplinary actions have the right to request Association representation or Association counsel in any investigatory interviews with management regarding formal discipline. Other representatives in disciplinary actions are permitted only through the agreement of the County and the Association.

12.2 Definitions

The following definitions shall apply for this Article

- (a) "Gross insubordination" is the refusal of any employee to obey a lawful order after such order has been communicated both verbally and in writing.

- (c) "Sexual Misconduct in connections with work" Means any conduct constituting sexual harassment or any overt sexual activity occurring in the work place.

12.3 Due Process Required Prior To Issuing Letter of Reprimand

Prior to issuing a letter of reprimand, the manager shall discuss the infraction with the employee. Should any part of the interview involve potential criminal conduct, the employee will be given one of the written "Garrity" warnings provided in a memorandum to this Agreement before discussing the infraction with the employee. If during the discussion, the employee believes formal discipline may result, the employee may request and be granted an Association representative. Following the discussion, the manager will determine whether to proceed with formal discipline. If the manager tentatively elects to issue a letter of reprimand, the manager will so inform the employee. The employee may then request the manager delay issuing the letter of reprimand until the employee prepares a rebuttal. Upon such request, the manager is obligated to refrain from issuing the letter or reprimand for at least one working day or as mutually agreed. A time shall then be set by the manager to receive the employee's rebuttal for consideration before the letter of reprimand is issued. An Association representative may, upon request, be present when the employee presents the rebuttal to the manager. After considering the rebuttal the manager will determine if to issue the letter of reprimand.

12.4 Due Process Required Prior To Issuing Formal Discipline Other Than a Letter of Reprimand: Investigatory Interview and Notice

In the event the Employer believes an employee has engaged in conduct that may result in formal discipline other than a letter of reprimand, the following due process will be provided:

- (a) The employee and the Association's president, or designee, will be given at least 24 hours advance written notice of intent to interview the employee under investigation for formal disciplinary action. The interview will be termed "investigatory interview" The notice will include the nature of the allegations or sufficient information to determine the alleged misconduct, the approximate date of the incident, giving rise to the interview, and the employee's right to request and Association representative be present during the interview. If such a request is made, it will not be unreasonably denied.

- (b) Interviews will take place at a County facility, or elsewhere if mutually agreed, unless an emergency exists which requires the interview to be conducted elsewhere.
- (c) The Employer shall make a reasonable good faith effort to conduct an investigatory interview during the employee's regular working hours, except for emergencies or where interviews can be conducted by telephone.
- (d) Employees may be compelled to answer all questions in the pre-disciplinary investigatory interview that are reasonably related to the subject matter under investigation. The employee may be disciplined for refusing to answer such questions. Should any part of the interview involve potential criminal conduct, the employee will be given one of the written, "Garrity" warning provided in a memorandum to this Agreement before interviewing the employee. The Employer may compel the employee to answer questions, however, any responses may not be used in any proceeding other than the internal investigation unless the employee knowingly provides false statements or information in response to the questions. Garrity warnings are included in an appendix to this Agreement.
- (e) Interviews shall be conducted professionally without intimidation or abuse.
- (f) The employee shall be entitled to such reasonable intermissions as reasonably necessary.
- (g) All interviews shall be limited in scope to activities, circumstance, events, conduct or acts pertaining to the incident that is the subject of the investigation. Nothing in this section shall prohibit the Employer from questioning the employee about information that is developed during the course of the interview.
- (h) If the Employer or the Association tape records the interview, all participants will be so notified before the interview begins. A complimentary copy of the complete interview of the employee shall be furnished, upon request, to either party. If the interviewed employee is subsequently disciplined and any part of any recording is transcribed by the Employer or the employee, the other party shall be given a complimentary copy.

12.5 Notice of Possible Formal Discipline: Requirement for Pre-Disciplinary "Loudermill" Meeting for Discipline Exceeding a Letter of Reprimand

- (a) Notice of Possible Formal Discipline. At the option of the Employer, the Employer may propose a Notice of Possible Formal Discipline to resolve a disciplinary matter by agreement in lieu of the pre-disciplinary, "Loudermill" meeting described in subparagraph The Notice of Possible Discipline may be offered with or without an investigatory interview. A Notice of Possible Discipline will describe the facts, alleged misconduct and proposed discipline. The employee may either accept or reject the proposed discipline. If the proposed discipline is accepted, discipline will be imposed in accordance with the notice. If the proposed discipline is rejected, the Employer may proceed to give written notice of a disciplinary "Loudermill" meeting as described in subparagraph (b)
- (b) "Loudermill" meeting. Following the investigatory interview or Notice of Possible Formal Discipline process described above, if the Employer elects to proceed with formal discipline, the

Employer will provide the employee and Association representative with written Notice of Disciplinary Meeting. The notice will include the time and place of the meeting, a summary of the preliminary findings, the alleged misconduct, and a range of the possible discipline. The parties will attempt to set the meeting by mutual agreement. At the meeting, the employee or the employee's designee will be given the opportunity to provide any explanation desired, including mitigating evidence or circumstances. At any time during or before the Loudermill meeting, the Employer, Association or affected employee may request a collaborative discussion as provided in subparagraph (c) to attempt to resolve the issues leading to the possible discipline. The collaborative discussion will only take place upon mutual agreement of the parties.

(c) The parties by mutual agreement may enter into the collaborative discussion authorized by this section. The parties will set a time frame for completion of the collaborative discussion. The purpose of this discussion is to provide either party the opportunity to provide additional evidence, mitigating or aggravating circumstances related to the potential discipline. The parties agree to maintain an informal setting for the meeting. Either party may record the meeting. The employer may not decide on the final discipline to be imposed until after such meeting. The parties may agree to alternative forms of discipline or other resolution as they deem appropriate. Such solutions shall not constitute a precedent for other disciplinary cases. The collaborative discussion is subject to the following terms:

- (i) While the collaborative discussions are taking place, all other contractual time frames in Article 12 are to be frozen.
- (ii) The Employer, Association, or affected Employee may terminate the collaborative discussions at any point. If collaborative discussions are terminated, the time frames in article 12 resume.
- (iii) Where a disciplinary action may result due to a conflict between bargaining unit employees, the manager or supervisor may solicit the assistance of the Association in mediating the conflict as an alternative to imposing discipline.

12.6 Imposition of Formal Discipline

(a) If the Employer determines that discipline is warranted, the Employer will issue written Notice of Discipline to the affected employee. The notice will include a summary of the facts, the policy violations or misconduct determined to have occurred and explanation of the discipline imposed.

(b) The employee or Association representative, upon request shall be furnished with a copy of the reports of the investigation which shall contain all known material facts of the matter, witness statements, tape recordings, and any other materials relied upon to impose discipline. The employee shall also be given all the names of witnesses and complaints who provided testimony against him or her and/or whose statements may be used against him or her. These will be provided at no cost to the employee or the Association.

(c) When the Employer issues a letter of reprimand, reduction in pay, suspension without pay, or discharge, it must do so within 30 calendar days of the day of the Employer first had knowledge of the conduct giving rise to the discipline; otherwise the discipline will be disallowed. If the County is unable to meet the 30-day deadline, it will so advise the Association and request an extension of time in which

to issue the discipline. Mutual agreement to the extension will not be unreasonably withheld. A copy of the notice of discipline shall be given to the Association and affected employee immediately.

(d) In no event will an employee be discharged or suffer loss of pay due to disciplinary action until the County has given at least three days (which may be extended by mutual consent of the parties) prior written notice to the employee and Association of the alleged misconduct leading to the discipline.

12.7 Minimum Monitoring Requirements Following Formal Discipline

In the event that the County imposes formal discipline, excluding termination, the discipline will provide for two dates approximately six months and one year in the future to review the progress the employee is making resolving the issues for which discipline was imposed. Nothing shall preclude meetings on a more frequent basis if desired. A brief summary of said meetings will be reduced to writing by management. In the event that the supervisor fails to meet the timeline set for the meeting, the employee or the Association shall have 30 days in which to request the meeting. In the event that the supervisor fails to hold the meeting at the employee's request, the formal discipline shall have no further force or effect. The employee shall be given the opportunity to have a YCJDWA representative present at said meetings. However, it is not the County's responsibility to make such arrangements. Timelines begin from imposition of discipline regardless of grievance filing.

12.8 Records

(a) An employee subject to discipline shall be given a copy of any disciplinary action entered in their personnel file within five days of such action. Employees may place statements of rebuttal or mitigation in their personnel files.

(b) Letters of reprimand shall be removed from the personnel file after 24 months, and other formal disciplines after three years. The removed discipline shall then go into a confidential file, maintained by Human Resources and will be effective for the disciplinary process only if the employee commits the same offense within the next 24 months.

(c) The contents of the personnel file shall be limited to the employment application, personnel actions formal disciplines, yearly performance evaluations, or other records (i.e., certifications, releases of information, work-related training records,) as required by law or lawful purpose. Employees may elect to include evaluations and other records in their personnel file upon mutual agreement of the employee and the manager.

12.9 General

(a) The Employer and Association may mutually agree, in writing, to extend any timelines of this article.

(b) Lie Detector Test: No employee will be directly or indirectly compelled to provide polygraph or voice stress tests in any disciplinary proceeding under Article 12.

ARTICLE 13 – SETTLEMENT OF DISPUTES

13.1 Grievance and Mediation Procedures. Alternative Resolution of Grievance Through Collaborative Resolution.

Any grievance or dispute which may arise between the parties concerning the application, interpretation or meaning of this Agreement, shall be settled in the following manner.

Informal Initial Review: Before filing a written grievance, the employee or Association shall discuss the complaint with the supervisor and/or department heads to informally resolve the dispute.

Collaborative Resolution Process: At any state of the grievance process, prior to arbitration hearing, parties may mutually agree to enter into a collaborative resolution process, freezing timelines established in each grievance step. Upon agreeing to this process, parties shall, in writing, mutually agree upon time frames for completion of the process. The parties may mutually agree to extend those time frames. If the parties are unable to resolve the dispute via collaborative resolution, the grievance may be advanced to the next step. All grievance settlements reached through the collaborative resolution process are non-precedential and shall not be cited by either party or their agents or members in any arbitration or fact-finding proceedings. Grievance settlements reached through this process shall be reduced to writing and signed by the Associations representative, grievant, and management representative. Actions taken pursuant to the resolution of grievances through the collaborative resolution process shall not be deemed to establish or change practices under the Collective Bargaining Agreement or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

Step 1: If the grievance has not been resolved in the informal process above, it may be presented in writing by an authorized Association Representative to the Department Head within twenty-one (21) calendar days after the initial occurrence which gave rise to the grievance. However, the twenty-one (21) days may be waived in step one by mutual written agreement of the parties.

A grievance regarding a disciplinary matter that resulted in the imposition of a demotion, suspension without pay, or termination shall be initiated at Step 2 of the grievance process.

The grievance shall clearly set forth the specific basis of the grievance including the relevant facts and the name(s) of the aggrieved employees, the specific CBA Article(s) , and subsections if applicable, alleged to be violated and the requested remedy, whether filed at Step 1 or Step 2. If the Association is unable to articulate the above-described specific information, it will so advise the County and request an extension of time in which to provide that information. Mutual agreement to the extension will not be unreasonably withheld.

The Department Head shall respond in writing to the grievance within seven (7) calendar days of receipt. The response shall be submitted to the Association and grievant.

Step 2: If the grievance remains unadjusted, it may be presented by the Association to the County Administrator within seven (7) calendar days after the response specified in Step 1 is due. The Association's presentation shall not be considered a grievance unless it states specifically that it is a grievance being filed at Step 2 and recites the specific information outlined above. Failure of the Association to so specify will alleviate the County of any obligation to proceed further.

The County Administrator or designee shall respond in writing to the Association within seven (7) calendar days.

Any grievance by the County shall be filed with the Association at Step 2 within fourteen (14) calendar days of its occurrence, and shall be subject to the same requirements contained herein with regard to the form of the grievance. Association shall respond to any County grievance filed pursuant to Step 2 within fourteen (14) calendar days.

Step 3:

Board of Adjustment or Mediation

- (a) If the grievance does not pertain to an imposition of economic discipline and remains unadjusted, it may be presented by County or Association to a Board of Adjustment consisting of two persons appointed by County and two persons appointed by Association. The grievance shall be submitted within seven (7) calendar days after which the response specified in Step 2 is due. The Board shall, within fourteen (14) calendar days of the date the grievance is received, set a date for a hearing. The Board shall set a hearing date as expeditiously as possible. The Board shall hold a hearing at which evidence shall be received, testimony taken, and the right of cross-examination provided. The Board shall respond to the parties in seven (7) calendar days after the hearing is held. The grievance shall be fully settled if three or more members of the Board of Adjustment agree upon a settlement which may be a compromise position of the parties. This decision shall be final and binding upon the parties.
- (b) If the grievance pertains to an imposition of economic discipline and remains unadjusted, it may be presented by either party for mediation. The parties will agree to a mutually acceptable mediator or agree to use either a mediator appointed by the ERB or another agreed provider. Mediation will have a cap of 60 days from notice of election to mediate. If the grievance remains unsettled within 60 days, either party may move to Step 4(c), binding Arbitration. The parties may mutually agree to extend the 60 days, but such must occur before the expiration of the initial 60 days.

Step 4:

- (a) If a majority of the Board of Adjustment cannot agree upon a decision and the grievance remains unsettled, the members of the Board of Adjustment shall select a fifth member, with a desired background in labor, to cast a deciding vote. If the members of the Board of Adjustment cannot agree to a fifth member within twenty-one (21) calendar days, Association and County shall meet and agree upon a fifth member.
- (b) The parties hereto may, by mutual agreement in writing, suspend or modify the time limits specified above about the resolution of any particular grievance or dispute.
- (c) Notwithstanding subsections (a), in grievances involving the imposition of economic discipline or the discharge of an Association member from employment with the County, a single arbitrator shall hear the grievance at Step 4. In such an event, the arbitration shall be governed by the following procedure.
 - (I) Selection of an Arbitrator. County and Association shall jointly request from the Employment Relations Board the names of seven qualified arbitrators. County and Association will select an arbitrator by alternatively striking names. The order of

striking names shall be determined by which party requests arbitration. That party will make the first strike. One name at a time shall be struck until only one name remains on the list. The name remaining on the list shall be accepted by the parties as the arbitrator.

- (II) Binding nature; authority. The parties agree that the decision or award of the arbitrator shall be final and binding on each party and that they will abide thereby. The arbitrator shall have no authority to add to, subtract from or change any terms of this Agreement. The arbitrator's decision will be based on at least the following factors: Just cause, due process, and flaws for lack of just cause, the totality of circumstance, public policy, and a reasonable person standard when applicable.
- (III) The arbitrators fee and expenses shall be paid seventy-five percent (75%) by the losing party and twenty-five (25%) by the winning party. Each party is otherwise responsible for their own expenses and all other expenses shall be borne exclusively by the party requiring the service or item for which payment is to be made.

13.2 Association Representatives

(a) Authorized Association representatives shall be permitted to reasonably investigate and process grievances without loss of pay. Such persons will notify and gain written approval of his/her supervisor before leaving the work site to process a grievance, their purpose for said absence and their reasonable approximate return time. Activities of its representatives in connection with the Association, excepting attendance at meetings with supervisory personnel and aggrieved employees arising out of a grievance already initiated by an employee shall not interfere with their or other employee's arising out of a grievance already initiated by an employee shall not interfere with their or other employee's regular work assignments as employees of the County.

APPENDIX A – DRUG AND ALCOHOL TESTING POLICY

Drug- and Alcohol-Free Workplace

POLICY

COUNTY is committed to providing a safe work environment that fosters the well-being of its employees. COUNTY has zero tolerance for substance abuse in the workplace, and this policy is intended to prevent drug and alcohol possession, use, and abuse in our work environment. The use of any drug or alcohol can interfere with safe and effective employee performance and productivity. In the workplace, drug and alcohol abuse commonly leads to increased absenteeism, higher health care costs, lower job performance and productivity, higher incidents of theft in the workplace, and higher rates of on-the-job accidents resulting in injury to the abuser and fellow employees. Not only are billions of dollars lost every year due to drug and alcohol abuse, drug and alcohol abuse results in tremendous negative social impacts on affected co-workers, families, and friends.

COUNTY follows a drug-free workplace policy that meets its commitment to and promotion of higher standards of employee performance, productivity, health, safety, and reliability. In order to provide a safe workplace where all employees can perform effectively, COUNTY treats drug and alcohol abuse seriously. As a condition of employment, all employees in the YCJDA bargaining unit must abide by this policy.

Under this policy, COUNTY strictly prohibits the following conduct by employees while on duty or engaged in COUNTY business, regardless of whether such conduct occurs on or off COUNTY premises:

- Report for work or remain at work with a detectable level of alcohol or controlled substance, intoxicant, or illegal drug in the employee's system in excess of screening and confirmation cutoff levels set forth in this policy;
- Engage in unauthorized use of any alcohol, controlled substance, intoxicant, or illegal drug on COUNTY premises or on COUNTY time, including rest and meal periods;
- Except in the performance of official job duties, possess or attempt to distribute, sell, obtain, manufacture, transfer, share, or receive any alcohol, controlled substance, intoxicant, illegal drug, or any other substances that impair job performance or pose a hazard to the safety and welfare of the employee, coworkers, and members of the community;
- Use, transfer, or possess drug paraphernalia or open alcohol containers for personal use while on COUNTY premises or COUNTY time;
- Use prescription or over-the-counter drugs in a manner inconsistent with the label or the directions of the prescribing healthcare provider;
- Refuse to cooperate with the alcohol or drug testing process or otherwise interfere with the test; and

- Engage in misconduct that damages the COUNTY's reputation or an employee's working relationship with the COUNTY.

The goal of this policy is to balance our respect for individuals with the need to maintain a safe, productive, and alcohol- and drug-free environment. Although COUNTY has no intention of intruding upon the private lives of its employees, employees are expected to report to work mentally and physically fit to perform their duties. Note that COUNTY policy on searches include situations involving the potential use or possession of alcohol or drugs on COUNTY premises or COUNTY time.

Everyone shares responsibility for maintaining a safe work environment for each other, and coworkers should encourage anyone who may have an alcohol or drug problem to seek help. We encourage employees who have a substance abuse problem to seek treatment and rehabilitation through the Employee Assistance Program (EAP) before it impacts their health, relationships, and job.

This policy shall be interpreted so as to conform with the applicable collective bargaining agreement and applicable federal and state law. It does not and is not intended to alter or create any terms and conditions of employment, nor shall it be construed as a promise of continued employment or employment for any length of time.

DEFINITIONS

Controlled Substances – all forms of narcotics, depressants, stimulants, hallucinogens, and cannabis, whose sale, purchase, transfer, use, or possession is prohibited by state or federal law.

Drug Paraphernalia – any items which are used for the administering or storing of prohibited drugs.

Illegal Drugs – drugs that are illegal under federal or state law, as well as medically-authorized (prescription) or over-the-counter drugs which are used, possessed, transferred, or distributed in a manner that is inconsistent with its label or the directions of a licensed healthcare provider. For example, ingesting someone else's prescription medication or ingesting your own prescription medication in a manner inconsistent with the drug label or the directions of your licensed healthcare provider would violate this policy.

Medically-Authorized (Prescription) Drugs – drugs which are used during medical treatment, prescribed and authorized for use by a licensed healthcare provider, and used in accordance with the drug label or as directed by the licensed healthcare provider.

Marijuana remains an illegal drug under federal law. Use of marijuana, including medical marijuana, is prohibited. The use of recreational or medical marijuana where it is legal under state law does not excuse a positive test result or other violation of this policy.

Over-the-Counter Drugs – drugs which are generally available for purchase or consumption without prescription from a licensed healthcare provider and are limited to those drugs which can impair the judgment of an employee to safely perform his or her duties.

Positive Test Result – a detectable level of alcohol or drugs in an employee's system in excess of screening and confirmation cutoff levels set forth in this policy.

Reasonable Suspicion – a set of objective and specific observations or facts based on direct observation, either by a supervisor or another employee, which leads one to suspect that an employee is under the influence of alcohol or drugs, including, but not limited to, physical evidence of controlled substances, drug paraphernalia, illegal drugs, patterns of erratic or abnormal behavior, disorientation or confusion, and an inability to complete routine tasks.

MEDICALLY-AUTHORIZED (PRESCRIPTION) DRUGS, OVER-THE-COUNTER DRUGS, AND ALCOHOL

When an employee uses over the counter medication or receives a prescription for prescription drugs from his or her licensed healthcare provider, the employee must ask whether the drugs will impair his or her ability to safely perform his or her job. If so, the employee must submit a healthcare provider statement to Human Resources. The healthcare provider should be familiar with the employee's work duties before signing the statement. The statement need not identify the drug, and it may simply state that the employee is unable to perform safety-sensitive functions (or other relevant job duties) due to his or her prescription medication. COUNTY may ask the healthcare provider to complete a fitness-for-duty form indicating when the employee is expected to be able to perform the identified job duties or to return to work. Where possible, COUNTY may but is not required to temporarily assign other work consistent with the employee's medical condition.

Abuse of medically-authorized or over-the-counter drugs is a violation of this policy. Using another person's prescription medication and off-label use of medication in a manner that has not been directed by a healthcare provider is also considered abuse in violation of this policy.

DRUG AND ALCOHOL TESTING

COUNTY tests for alcohol and drugs under the circumstances described below. We may require a biological sample, such as urine, saliva, breath, and/or blood samples, for an alcohol or drug test. When samples are needed for analysis in a laboratory, we will use one that is properly licensed.

A. APPLICANT TESTING

Any offer of employment may be contingent upon satisfying drug-testing requirements. If the applicant fails to comply with this policy or the testing requirements or related COUNTY requirements or if the test result is positive, COUNTY will withdraw the offer of employment. Refusal to submit to testing will be treated as the applicant's voluntary withdrawal of his or her application for employment or declination of an offer of employment. An applicant who tampers with, adulterates, or substitutes urine or other bodily samples is permanently barred from employment with COUNTY.

B. REASONABLE SUSPICION-BASED TESTING

Employees shall be subject to alcohol or drug testing when there is reasonable suspicion.

When there is reasonable suspicion, the employee may not return to work until fitness for duty has been established.

COUNTY reserves the right to decide whether reasonable suspicion exists.

C. ACCIDENTS

An accident includes any incident involving property damage, physical injury, or near miss. Any employee who contributes to or causes an accident (e.g., an employee who runs over a person while driving) may be subject to a drug test, as are any injured employees, at the discretion of COUNTY or as required by law or court order.

If subsequent incident investigation results in a recommendation for termination of employment or other disciplinary action (i.e., for safety or other policy violation), the termination or other disciplinary action will occur regardless of the test results.

D. TESTING AS REQUIRED BY FEDERAL OR STATE LAW OR REGULATION

Employees are required to submit to any alcohol or drug tests required by federal or state law or regulation while you are working on COUNTY time or on COUNTY premises.

We require all employees to cooperate fully in any COUNTY, administrative, or law enforcement investigations related to resulting from this policy. This includes signing any necessary authorizations for releasing test results to us.

ALCOHOL OR DRUG TESTING PROCEDURE

A local medical facility or licensed testing facility will collect samples for alcohol and drug testing. A local medical facility or licensed testing facility will conduct laboratory and confirmatory testing on samples. When an employee is asked to undergo a drug test, he/she will be informed of the type of sample that must be provided and the method of sample collection. The employee will be asked to provide identification to the person who collects the sample.

All testing will be conducted immediately before, during, or after a work period. Time spent in testing is considered work time for purposes of compensation and benefits. COUNTY will pay all costs associated with the alcohol or drug test.

Prior to testing, COUNTY will afford applicants and employees subject to testing the opportunity to list all prescription and non-prescription drugs and controlled substances that they have used, as well as the opportunity to explain the circumstances surrounding the use of such drugs and controlled substances, to the individual or entity administering the alcohol or drug test. Failure of any employee to establish adequately a legal basis for the use of any drug or controlled substance with respect to which the employee tests positive shall constitute a violation of this policy.

Prior to testing, applicants and employees subject to testing must sign an approved form demonstrating the applicant or employee's agreement to the testing, authorization to release the test results to COUNTY management, and authorization to disclose the results by management to a personnel representative, the employee's supervisor, higher management, and other persons. Management will obtain the results of the analyses and communicate or disclose such results to a personnel representative, the employee's supervisor, higher management, and any other person in accordance with COUNTY policies and procedures. All samples will be collected

under reasonable and sanitary conditions and with due regard to the privacy of the individual who is being tested, and in a manner that is reasonably calculated to prevent substitution or interference with the collection of a reliable sample. All samples will be labeled in a manner that reasonably precludes the probability of erroneous identification or sample tampering.

Any employee tampering with, substituting, adulterating, falsifying, or altering an alcohol or drug sample, screening test, or any aspects of the testing process, or providing inaccurate or false information will be subject to immediate termination.

We reserve the right to discipline an employee, up to and including termination of employment, or withdraw any offer of employment to an applicant who refuses to submit to alcohol or drug testing under the conditions described in this policy or who otherwise fails to comply with this policy, the testing requirements, or related requests from COUNTY.

Refusal to submit to a test includes failing to produce enough urine, breath, blood, or other approved physical sample for an alcohol or drug test without valid medical explanation and/or engaging in conduct that clearly obstructs the testing process.

VOLUNTARY DISCLOSURE AND POSITIVE TEST RESULTS

A. Voluntary Disclosure of Criminal Drug Statute Conviction

Employees who are convicted of any criminal drug statute for a violation occurring in the workplace must report the conviction to his/her supervisor or Human Resources no later than five (5) days after the conviction. Failure to do so shall constitute a violation of this policy.

B. Voluntary Disclosure of Violation of Policy

We understand that employees may be hesitant or afraid to ask for help. If an employee voluntarily discloses alcohol or drug use in violation of this policy to his/her supervisor or Human Resources prior to a positive drug test result, COUNTY will assist the employee in obtaining appropriate counseling or treatment, if appropriate under the circumstances. Under these circumstances and subject to applicable federal and state laws or regulations, COUNTY will consider at its sole discretion whether to offer an unpaid leave of absence for the duration of treatment or counseling.

An employee's decision to voluntarily seek treatment or counseling will not be used as a basis for disciplinary action or in consideration for employment advancement. However, participating in a treatment or counseling program will not exempt an employee from the requirements of this policy and will not shield employees from disciplinary action for violating it. A request for assistance cannot be used as an "after-the-fact" action to counteract potential disciplinary action as a result of violations of this policy.

Employees must comply with all COUNTY policies, rules, and job performance standards upon returning to work after completing a voluntary treatment program.

C. Positive Test Result

Screening and confirmation cutoff levels to determine Positive Test Results shall be those published by Redwood Toxicology Laboratory, Inc., a California corporation ("RTL"), at the time of testing. In the case of a breath test for alcohol, the cutoff level shall be 0.02% blood alcohol content.

In the event that RTL stops publishes screening and confirmation cutoff levels, the parties agree to use RTL's last published screening and confirmation cutoff levels unless the parties agree to different screening and confirmation cutoff levels.

All positive tests are retested for confirmation when possible. If the retest confirms the initial positive result, we will suspend the employee (without pay) for violation of COUNTY policy. COUNTY may also take any other appropriate employment action, including, but not limited to:

- Denying a job application or rescinding a conditional job offer.
- Offering an employee in good standing a Last Chance Agreement with the opportunity to seek treatment at a certified drug and alcohol treatment center in lieu of discipline for a first-time positive drug test result. The following procedure will apply if the employee agrees to the offer:
 - o The employee must meet with an accredited EAP counselor. This counselor will assess the employee's alcohol and/or drug use and establish a treatment program. Failure to cooperate with the EAP counselor or to complete the treatment program constitutes a breach of the Last Chance Agreement.
 - o Before returning to work, the employee must submit to an alcohol and/or drug test. This test must be alcohol-free and drug-free to allow the employee to return to work. After returning to work, the employee is required to submit to unscheduled testing at COUNTY's discretion. The time period for unscheduled testing will be stated in the Last Chance Agreement and may range from 12 months to five years. We may also require other conditions. Refusing to take a test during this period constitutes a breach of the Last Chance Agreement.

Employees may enter into only one Last Chance Agreement for the duration of their employment with the County, including any subsequent periods of employment. Although an employee's medical benefits may cover some portion of the cost of treatment or counseling, the employee is solely responsible for treatments or counseling costs. COUNTY assumes no financial responsibility for such treatment or counseling, regardless of whether it is part of a Last Chance Agreement.

APPEAL PROCEDURE

When a sufficient testing sample remains after initial and confirmatory testing with positive test results, the applicant or employee, at his/her expense, may appeal the positive test results by conducting an independent confirmatory test on the sample at a licensed or other testing facility mutually approved by COUNTY and the employee. An employee may submit and appeal and request an independent confirmatory test by notifying Human Resources in writing within five calendar days of receiving notice of the positive test results. The employee must agree to and arrange for the results of the independent confirmatory test to be sent directly to COUNTY.

There is no appeal procedure for a confirmed positive breath alcohol test.

SEARCH AND INVESTIGATION

Employees do not have any reasonable expectation of privacy with regard to COUNTY systems, equipment, or other property, as well as their personal property on COUNTY premises or other work sites. When there is reason to believe that an employee may be in violation of this

policy, COUNTY may conduct a search of the workplace, including but not limited to drawers, desks, workstations, lockers, containers, County vehicles, and any County or personal property on County premises or other work sites. COUNTY reserves the right to retain any substances that it believes are prohibited and to deliver them to the appropriate law enforcement authorities. If a search reveals the presence of unauthorized alcohol, controlled substances, intoxicants, illegal drugs, or drug paraphernalia in violation of this policy, the employee may be subject to discipline, up to and including termination. Refusing to submit to a search constitutes a violation of this policy and may also result in disciplinary action, up to and including termination. Except in emergency situations, searches require the approval of the County Administrator, department head, or a designee.
